Life's Spiritual Prisons Keith D. Pisani, 2019-12-06 Has someone placed so many restrictions and restraints upon you that you felt like you were living in a box of someone else's making? When Paul wrote the Book of Galatians he was imprisoned physically. His crime was refusing to worship the emperor. But Paul, a Christian and practicing believer who lived his faith, refused to worship someone other than God. In *Breaking Out of Life's Spiritual Prisons*, author Keith D. Pisani explains Paul's teachings in Galatians. It presents a balanced approach to spiritual freedoms. Geared toward use in small group Bible studies and in other study venues, it features break-out sessions that include study questions and practical exercises to help believers grow and live free in Jesus, outside of and apart from the religious comfort zones established by others. In addition to this book, Pisani has produced the companion Bible study for use in personal and group settings: *Breaking Out of Life's Spiritual Prisons: A Bible Study Guide*.

Martin Zschoche, 2021-01-02 Re-explore teaching from the depths of brain-based accelerated learning research that reveals how students learn and respond to classroom environments and teacher interactions. By creating a warm and welcoming atmosphere complete with music and fun, your students learn how much you care for them and understand their needs. Your words are powerful and everything you do or say sends a message consciously or non-consciously to your students. Through purposeful classroom management and choreographed instruction, grab your students' attention and keep them so focused there is no time to become distracted or misbehave. By removing students' fear factors and giving them leadership roles, students take ownership of the classroom productively, engaging with each other and learning deeply together. Turn

assessments into a joyful experience of profound learning. Be that teacher the students remember fondly years after they leave school, the one about whom they say, "We learned sooooo much and we remember it." *Becoming a King Study Guide*
Morgan Snyder, 2020-06-16 Enter a radical reconstruction of what we've learned to believe about God and masculinity. The *Becoming A King Study Guide* is an invitation to enter a rare and remarkable fellowship of like-hearted men. It's a call to have honest conversations about what power and responsibility look like for men in our world today. It's a journey to rediscover your kingship in Christ and the narrow path that leads to this inner transformation. In this six-session video Bible study journey with Morgan into a process that helps men discover and recover our true courage, our vulnerability, God's design, and desire to empower us in his Kingdom. It is God's intention to entrust us to participate in the ongoing creativity of the universe. Yet even a glance at our history and the world around us shows that the story of most men who are entrusted with power is a story of self-harm and harm of those under their care. What's gone wrong? When can you entrust a man with power as God intended? When we take a deeper look at the external problems around us, we begin to see that the problems lie rooted within our own souls. Despite that, there is hope. Curated and distilled over more than two decades and mined from the lives of over seventy-five sages who have gone before us, Morgan shares what he discovered: an ancient and reliable path to restoring the heart of a man and becoming the kind of man who can wield power for good. This study includes video notes, group discussion questions, and between-session personal study for each session. Sessions include: *Becoming Powerful*, *Becoming a Son*, *Becoming the Man You Were Born to Be*, *Becoming a Generalist*, *The Way of Becoming*, *Becoming a King*. Designed for use with
