intensified vocabulary into a readable script RIVERS OF LIVING WATERS River of Living Waters is a collection of God Inspired Commentaries Essays and Interpretations **Mobile Internet Monthly Newsletter December 2010 , Social Media for Nurses** Ramona Nelson,Debra Wolf,2013 T he authors recognize the role the nurse has in empowering patients to take charge of their health by using social media responsibly the information presented in this book can be useful to nurses in a variety of settings and with different levels of understanding regarding social media The authors masterfully present information on Web 2 0 and Health 2 0 applications for nurses at the point of care educators advanced practice practitioners administrators and nursing students Michelle E Block RN PhD Nursing Science Quarterly This book clearly and comprehensively presents the knowledge and skills nurses and health professionals need in order to effectively use the Internet and interactive social media to educate health consumers By understanding and using Web 2 0 and Health 2 0 applications and technology nurses will have access to a critical tool for improving the health of individuals families and communities as well as enhancing their own professional development The different types of health care information sites available on the Internet are addressed along with criteria for evaluating them The text provides a framework for understanding the devices that support social media and depicts the many scenarios in which social media can be used to promote health Also included are examples of research studies related to health care informatics Each chapter begins with clear and concise learning objectives and explanations of related terms A theoretical foundation for understanding the concepts in the chapter is included along with web based resources that support additional in depth learning Discussion questions and exercises stimulate the development of critical thinking skills and promote point of care applications Advances in technology and point of care use expected to come in the near future are woven throughout The text will be of value for all nurse education and practice settings Key Features Provides easily understood information on interactive social media applications and their implications for nursing and health delivery Illustrates how to use social networking tools and sites effectively Describes the types of health care information websites available and how to evaluate them Addresses the many devices that support social media and when to use them Includes a database of tools and resources to assist educators students administrators and practitioners in their use of the Internet and social media *Imaging in Advertising* Fern L. Johnson,2012-08-06 The dominance of advertising in everyday life carries potent cultural meaning As a major force in the rise of image based culture advertising spreads images that shape how people live their lives While scholarship on visual images has advanced our understanding of the role of advertising in society for example in revealing how images of extremely thin female models and athletic heroes shape ideals and aspirations images circulated through language codes or verbal images in advertising have received less attention Imaging in Advertising explores how the verbal and visual work together to build a discourse of advertising that speaks to audiences and has the power to move them to particular thoughts and actions In this book Fern L Johnson presents a series of case studies exploring important advertising images racial

connotations in cigarette advertising representations of cultural diversity in teen television commercials metaphors of the face appearing in ads for skin care products language borrowed from technology to sell non technology products and the illusion of personal choice that is promoted in many Internet web sites Johnson argues that examining the interplay of verbal and visual images as a structured whole exposes the invasive role of advertising in shaping culture in 21st century America
