McBride,2024-12-17 The director of classic films such as Sylvia Scarlett The Philadelphia Story Gaslight Adam s Rib A Star Is Born and My Fair Lady George Cukor is widely admired but often misunderstood Reductively stereotyped in his time as a woman s director a thinly veiled disparaging code for gay he brilliantly directed a wide range of iconic actors and actresses including Cary Grant Greta Garbo Spencer Tracy Joan Crawford Marilyn Monroe and Maggie Smith As Katharine Hepburn the star of ten Cukor films told the director All the people in your pictures are as goddamned good as they can possibly be and that s your stamp In this groundbreaking lavishly illustrated critical study Joseph McBride provides insightful and revealing essayistic portraits of Cukor s actors in their most memorable roles The queer filmmaker gravitated to socially adventurous subversively rule breaking audacious dreamers who are often sexually transgressive and gender fluid in ways

that seem strikingly modern today McBride shows that Cukor's seemingly self-effacing body of work is characterized by a discreet way of channeling his feelings through his actors. He expertly cajoled actors usually gently but sometimes with bracing harshness to delve deeply into emotional areas they tended to keep safely hidden. Cukor's wry wit, his keen sense of psychological and social observation, his charm and irony and his toughness and resilience kept him active for more than five decades in Hollywood. George Cukor's *People* gives him the in-depth multifaceted examination his rich achievement deserves.

Katharine Hepburn Grace May Carter, 2016-06-18 Katharine Hepburn was far more than an iconic movie star who won four Academy Awards for best actress the most ever and made classic films *The African Queen*, *The Philadelphia Story* and *Guess Who's Coming to Dinner* that still rank among the greatest of all time. She also exerted a singular influence on American popular culture, challenging rigid assumptions about how women should behave and almost single-handedly gave them permission to wear pants. The list of adjectives used to describe Hepburn—bold, stubborn, witty, beautiful—only begin to hint at the complex woman who entranced audiences around the world; she could also be controlling, selfish, and self-righteous. So here is the full epic story of the patron saint of the independent American female as one critic described her from her breakthrough in Hollywood in the early 1930s to *On Golden Pond* in the 1980s to her dramatic affairs with Howard Hughes and Spencer Tracy and beyond. With her distinctive patrician voice and tsunami-force personality, Hepburn always lived life strictly on her own terms. And oh, what a life it was.
