

Bob WILLS FIDDLE

FRANKS have always taken their fiddle music more seriously than folks have in other parts of the country. The first pioneers who came to Texas brought fiddle with them, and dance parties and fiddle contests have remained an important part of rural Texas culture. When Bob Wills took his Texas fiddle and helped create a new form of American music — western swing — he brought together many diverse influences and incorporated a wide range of instruments, from steel guitars to piano and horns. Still, the fiddle was always dominant. It always remained the heart and soul of his music, and the same Bob Wills became synonymous with fiddle music throughout the Southwest.
