Auditing Cases 9th Edition:

Auditing Cases Michael Chris Knapp, 2010-04-25 Knapp's AUDITING CASES 8e International Edition uses real world cases to acquaint you with the work environment of auditors. It also helps you recognize the red flags that often accompany problem audits. This new edition offers exciting new cases that cover the massive economic crisis that the U.S. and global economies have recently faced. In addition, new cases have been added to the International Cases section examining auditing challenges in Australia, China, India, Japan, Russia, South Africa, and several others. The eighth edition fully integrates risk assessment standards recently adopted by the auditing community. What better training for the real world of auditing than to learn by studying real companies and situations.

Contemporary Auditing Michael C. Knapp, 2012-01-05 The Ninth Edition of Knapp's CONTEMPORARY AUDITING REAL ISSUES AND CASES utilizes real world cases to highlight the work environment of auditors. These cases help students to identify audit problem areas by using real world examples and pointing out potential red flags. With thirteen new cases, Knapp's CONTEMPORARY AUDITING REAL ISSUES AND CASES contains the most recent compelling and up-to-date examples including Lehman Brothers Holdings Inc, First Keystone Bank, Foamex International Inc, Phillips Petroleum Company, and Freescale Semiconductor Inc. Five new cases have also been added to the Audits of High Risk Accounts section examining well-known companies such as General Motors, Lipper Holdings LLC, Geo Securities Inc, Belot Enterprises, and Regina Company Inc. The ninth edition fully integrates all recent risk assessment standards recently adopted by the auditing community. This casebook can be used to supplement the first undergraduate auditing course as a primary text for a second undergraduate auditing course or for a graduate level auditing seminar. Selected cases in this text are also suitable for use in financial accounting courses and may be customized into a unique casebook at <http://www.cengage.com/custom/makeityours/knapp>.
