Grimey Tya Marie, 2016-07-20 Orphaned at the age of fifteen after her parents died in a car accident Myria is no stranger to abandonment when her identical twin sister Janelle leaves her in order to live the fabulous life as a wife to Anthony Dom Haveras While Janelle is away living in the lap of luxury Myria finds herself becoming a byproduct of the streets ending up in serving a five year prison sentence for robbery Deciding that it s time to turn over a new leaf Myria reaches out to Janelle who offers her a warm bed until she manages to get on her feet While Myria heads to Miami excited to rekindle her relationship with her sister Janelle has other plans in mind Tired of being the long suffering and abused wife of the King of Miami Janelle spends her days poolside plotting Dom s downfall With one elaborate plan after another fails Janelle decides to go back to the basics and figures that she could pull her own version of a bait and switch The bait Myria The switch The life of luxury she once loved Not one to be worried by guilt Janelle places a sleeping Myria in her bed and leaves her waking up in a living nightmare With her identity stolen from her Myria is forced to navigate the inner circle of Miami s elite as Janelle With Janelle s Ice Queen fa ade in place Myria makes friends enemies and ultimately finds herself falling in love with an unlikely ally Julio Dom s brother Just when she thinks she has a handle on the situation Myria discovers a secret regarding Janelle s marriage that makes her think different about who the real abuser is Will Myria be able to beat Janelle at her own game or will she end up suffocating in Janelle s bed of lies *Vibe* ,2007 **Southern Innovator Issue**

Southern Innovator Magazine David South, Editor, Launched in May 2011 the new global magazine Southern Innovator is about the people across the global South shaping our new world eradicating poverty and working towards the achievement of the Millennium Development Goals MDGs They are the innovators Issue 1 covered the theme of mobile phones and information technology Issue 2 covered the theme of youth and entrepreneurship Issue 3 covered the theme of agribusiness and food security Issue 4 covered the theme of cities and urbanization Issue 5 covers the theme of waste and recycling **Jamaica** International Monetary Fund. Western Hemisphere Dept., 2016-09-19 This paper discusses Jamaica s Thirteenth Review Under the Arrangement Under the Extended Fund Facility Program implementation is on track The authorities continued commitment to the demanding reform program even in the fourth year of the IMF supported program is commendable All quantitative performance criteria to be completed by the end of June 2016 as well as the continuous

quantitative program targets and structural benchmarks have been met Domestic confidence indicators are at an all time high and there are signs of improving economic activity including agricultural recovery strong performance in tourism and manufacturing and stronger private sector credit growth Higher growth dividends more job creation and improved living standards will be essential to continued social support for the reform agenda *Financial Development and Inclusion in the Caribbean* Chuan Li, Joyce Wong, 2018-03-13 Many Caribbean financial systems are relatively well developed for their size but benefits are concentrated in a small part of the population In several large countries the financial development levels are below what is warranted by that country s own macroeconomic fundamentals SMEs in particular remain severely credit constrained and data to inform better analysis remains scarce Using available data this paper takes stock of the current state of financial development and inclusion in the Caribbean region and based on a quantitative general equilibrium model examines potential trade offs between growth inequality and financial stability all critical considerations when policies are designed A case study for Jamaica is examined in detail *LexisNexis Corporate Affiliations* ,2004 Unleashing Growth and Strengthening Resilience in the Caribbean Mr.Krishna Srinivasan, Ms.Inci Otker, Ms.Uma Ramakrishnan, Mr.Trevor Serge Coleridge Alleyne, 2017-11-13 This book provides a diagnosis of the central economic and financial challenges facing Caribbean policymakers and offers broad policy recommendations for promoting a sustained and inclusive increase in economic well being The analysis highlights the need for Caribbean economies to make a concerted effort to break the feedback loops between weak macroeconomic fundamentals notably pertaining to fiscal positions and financial sector strains and structural impediments such as high electricity costs limited financial deepening violent crime and brain drain which have depressed private investment and growth A recurring theme in the book is the need for greater regional coordination in finding solutions to address the Caribbean s shared and intertwined macroeconomic and structural challenges The analysis suggests that strengthening regional and global market integration of Caribbean economies would provide an impetus to sustained growth in incomes and jobs Greater regional and global economic integration would also facilitate structural transformation and a shift toward new economic activities resulting in more diversified and less vulnerable economies A central challenge for the Caribbean is thus to come together as a region overcome the limitations posed by size and garner the benefits of globalization Efforts should build on existing regional arrangements accelerating progress in implementing these agreements would stimulate trade Policymakers could also promote deeper integration with Latin America and the rest of the world by pursuing new trade agreements leveraging current agreements more effectively or deepening them to include areas beyond traditional trade issues and developing port and transport infrastructure
