**Always: A Novel (Aud Torvingen)** Nicola Griffith, 2025-06-03 This is the third thrill ride featuring Torvingen the most complex yet Little is held back the violence the eroticism the shocking plot turns Seattle Post Intelligencer If Jack Reacher had a sister she'd be Aud Torvingen he would love her but he'd be a little scared of her too Lee Child Aud Torvingen has never worried about violence To her it is simply a tool one of many to be used as

appropriate with dispassion speed and precision In Always she takes on a new challenge teaching a group of ordinary Atlanta women self defense skills It doesn t matter how well trained you are how big how fast how strong there will always be someone out there bigger or faster or stronger Always That s what Aud tells her students but she never imagined the consequences of imparting that lesson which shake her to the core To regroup she travels to Seattle to meet her Norwegian diplomat mother and her mother s new husband She s also there to handle what looks to be a run of the mill fraud at one of her investment properties currently being used as a movie set Big money is in play and it seems someone is sabotaging the production In intertwined Seattle and Atlanta narratives seductive and breathtakingly taut Nicola Griffith pushes Aud to the limits of self reliance and makes Aud face the appalling and appealing prospect of allowing herself to need other people In Always the award winning Griffith ratchets her fiction plot and narrative up yet another notch Always is a novel of compelling and complex literary substance The Baltimore Sun Crime and love set against the backdrop of the Seattle skyline are a compelling mix Aud Torvingen is like no protagonist in fiction male or female and her complexity makes for fascinating fiction The Oregonian Yowza synergy of action and adrenaline Fist slamming physicality is beautifully balanced with raised emotional stakes as Griffith dares to take her lethally forceful heroine to a new level Booklist starred review Nicola Griffith s Aud Torvingen novels are among the finest most original crime fiction I ve read I am forever Ms Griffith s fan Robert Crais Aud is a hero we need now more than ever Griffith has created one of the most intriguing and most unforgettable characters in detective fiction or really anywhere Ivy Pochoda WWithout Aud it s hard to see how there could have been a Lisbeth Salander Val McDermid I can t rave enough Dennis Lehane
