**The JCT 05 Standard Building Contract** Issaka E. Ndekugri, Michael E. Rycroft, 2009 This title helps clarify complex areas of the JCT 05 standard building contract making it an essential reference for professionals seeking to update their knowledge The book works through the contract issues thoroughly yet clearly using case law examples to demonstrate the latest amendments in regards to the Construction Act

**CONTRACT LAW A COMMONWEALTH CARIBBEAN CASE BOOK** Timothy A. Affonso, 2013-11-19 Contract Law A Commonwealth Caribbean Case Book focusses on contract law as articulated by the jurists of the Commonwealth Caribbean region Case law from across the region has been combed to source the cases identified in this text The jurisdictions from which the cases have emanated span the full breadth of the Commonwealth Caribbean region The quality of the judgments referenced and the clarity of expression of the legal principles by our regional jurists should greatly assist the young law student in his journey through this interesting area of law The Caribbean jurisprudence in the area of contract law operates within statutory and common law boundaries The absence of statutory intervention in some situations and the presence of legislation in others makes this area of law unique in its operation While it is important for students to be able to conduct research there is a need for Commonwealth Caribbean resource material This book seeks to achieve this objective The wide body of contractual principles have been categorised into identifiable elements of contract law so as to guide a student through this vast area of law I hope to underscore the essential nature of contract law to not only the law student s arsenal of legal expertise but also to his eventual practice of law It is hoped that this book can assist in developing a genuine interest and understanding of contract law

**The JCT 05 Standard Building Contract** Issaka Ndekugri, Michael Rycroft, 2012-05-23 The Joint Contracts Tribunal s JCT Standard Form of Building Contract one of the most common standard contracts used in the UK to procure building work is updated regularly to take account of changes in legislation and industry practice and relevant court decisions from litigation The JCT

05 Standard Building Contract Law and Administration is a second edition to the authors earlier award winning The JCT98 Building Contract Law and Administration and clarifies complex issues surrounding obligations and rights under the contract This makes it an essential reference for construction professionals employers contractors and lawyers new to construction seeking to update and consolidate their knowledge The book also provides the knowledge and understanding of the contract which are a fundamental part of the education of most students who go on to become managers and leaders in the construction industry It thoroughly works through the provisions of the contract in simple language using case law examples and relevant statute to demonstrate approaches to its interpretation
