Culture as Weapon

Nato Thompson,2017-01-17 One of the country s leading activist curators explores how corporations and governments have used art and culture to mystify and manipulate us The production of culture was once the domain of artists but beginning in the early 1900s the emerging fields of public relations advertising and marketing transformed the way the powerful communicate with the rest of us A century later the tools are more sophisticated than ever the onslaught more relentless In Culture as Weapon acclaimed curator and critic Nato Thompson reveals how institutions use art and culture to ensure profits and constrain dissent and shows us that there are alternatives An eye opening account of the way advertising media and politics work today Culture as Weapon offers a radically new way of looking at our world

Customer-Driven Disruption

Suman Sarkar,2019-09-03 Businesses worry about new technologies but customers are the ultimate disruptors Suman Sarkar offers bold strategies for making sure you understand your customers and keep up with their ever changing needs Disruption the brutal roiling of markets the decline of long established brands and products and the rise of new upstarts drives business failure and success Most people think technology causes disruption but technology merely enables it Changing customer needs cause disruptions and too many businesses get caught unaware Suman Sarkar offers proven strategies that will enable any business to stay radically close to its customers and address their evolving needs He argues that businesses need to focus on existing customers first research shows they re likely to spend more and are more profitable than new customers Personalization is becoming important for the newer generations in both developed and developing markets so Sarkar describes approaches to make them cost effective In our era of instant gratification customers want what they want now Sarkar explains how you can develop and deliver products and services faster than ever And since a few bad Yelp reviews

social media posts or angry tweets from customers can ruin you Sarkar shows how to proactively make sure the quality of your products and services stays better than that of your competitors The key to survival in this era of changing customer needs is to focus on and address them quickly so customers don't switch to the competition Drawing on his experiences with leading companies worldwide Sarkar offers five strategies and techniques that will keep you ahead of the curve The Imagination Machine Martin Reeves, Jack Fuller, 2021-06-08 A guide for mining the imagination to find powerful new ways to succeed We need imagination now more than ever to find new opportunities rethink our businesses and discover paths to growth Yet too many companies have lost their ability to imagine What is this mysterious capacity How does imagination work And how can organizations keep it alive and harness it in a systematic way The Imagination Machine answers these questions and more Drawing on the experience and insights of CEOs across several industries as well as lessons from neuroscience computer science psychology and philosophy Martin Reeves of Boston Consulting Group's Henderson Institute and Jack Fuller an expert in neuroscience provide a fascinating look into the mechanics of imagination and lay out a process for creating ideas and bringing them to life The Seduction How to open yourself up to surprises The Idea How to generate new ideas The Collision How to rethink your idea based on real world feedback The Epidemic How to spread an evolving idea to others The New Ordinary How to turn your novel idea into an accepted reality The Encore How to repeat the process again and again Imagination is one of the least understood but most crucial ingredients of success It's what makes the difference between an incremental change and the kinds of pivots and paradigm shifts that are essential to transformation especially during a crisis The Imagination Machine is the guide you need to demystify and operationalize this powerful human capacity to inject new life into your company and to head into unknown territory with the right tools at your disposal
