

Bartender Training

We welcome you to **[Restaurant Name]**. As a Bartender, you'll be an important part of each guest's experience in our restaurant. You are responsible for creating a positive first impression, preparing beverages exactly to recipe, and making every guest feel welcome and special. You can accomplish this by meeting and exceeding your guest's expectations.

We take great pride in our quality beverages and friendly, responsive service. Our high standards can only be maintained through great people like you who share our values and desire to do the very best job possible for our guests every day. We will provide you with the training you need to be successful.

The guidelines listed on the following pages have been established to help you in your effort to provide these qualities to our guests. Along with the hands-on training you will receive, this manual will provide answers to questions you may have regarding your tasks, responsibilities, and operating procedures for **[Restaurant Name]**.

Once again, welcome to the **[Restaurant Name]** Team!

Below you will find the *Bartender* topics covered in this guide.

12. Food Safety & Sanitation
13. Alcohol Awareness
14. Performing Sidework Duties
15. End of Shift Checkout Procedures
16. Tip Reporting

Bartender Employee Manual

Ryan Dahlstrom

Bartender Employee Manual:

Bartenders' Manual Harry Johnson, 2018-03-16 First published in the 1860s Harry Johnson's *Bartenders Manual* is part of the classic bar books and one of its oldest exemplars. The author has been one of the first bartenders who not only had general and wise thoughts about his profession but also committed his experiences and opinions to paper and wrote a teaching book for beginners and professionals. Doing this he laid the foundation for following generations and stands beside Jerry Thomas at the beginning of a long list of famous bartenders. In his book Harry Johnson carries the reader into times where it was obviously necessary to remind bartenders not to chew on a toothpick or a cigar when on a job interview, not to spit on the floor or pursue other bad habits. He gives advice how to conduct a bar as well as how to treat employees and guests, how to handle beer casks and wine bottles, what stock is needed in a bar or restaurant, how to keep the business books, and much more. The second half of the book contains recipes for cocktails, punches, bowls, and other drinks famous in USA and Europe during this time. There you can also find the presumably first mention of the Martini cocktail as well as instruction of how to mix absinthe and chill champagne. The *Bartenders Manual* is not only a window to the past; it also shows how professional some bartenders of that time pursued their business, a fact we almost forget or ignore as we connect the USA of the 19th century with dusty saloons and dirty beer glasses. Some parts of the book may seem out of date, who is still using blocks of ice or keeps guspiders for his guests, but it is still a must-have for professionals and enthusiastic hobby barkeepers and gives precious insights of the beginning of bar culture.

Bartender Training Manual Ryan Dahlstrom, 2016-09-01 The Most Requested Training Manual in the Industry Today.
