Bodybuilders In Tutus And 35 Other Obscure Business Boosting Observations:

Bodybuilders in Tutus Philipp Lomboy, 2011-04 This book is a collection of selected articles I've written for my weekly marketing newsletter. Initially, I was very happy to educate, entertain, and assist my subscribers in private through email. But as a marketer, I was well aware that this was keeping me from reaching many of the people that really need this information. There are many that would prefer to turn pages rather than clicking and scrolling. Ironically, I am one of them, especially when it comes to business books, which I beat up to such a point that I'm glad there's no ASPCA equivalent for printed materials. Plus, it's tough, clean blue ink and highlighter off your computer screen. So here it is in all its paperback, water-resistant glory. While the article selection process was primarily based on my own biases and preferences, some influence came from popular reader response to the original articles. Among the chapters, you'll hear about The Mormon incident, My homegrown WWE wrestling matches, One of my favorite dirty marketing tactics, Bodybuilders in Tutus. And yes, they ALL have something to do with marketing. Praise for Bodybuilders in Tutus and 35 Other Obscure Business Boosting Observations. Don't let the quirky title for this book fool you into thinking that he takes his craft lightly. Phil's unique approach turns marketing into a fun experience packed with enormous lessons to completely change your business. Jack Von Bulow DDS, Owner of Temple City Dental Care and Author of Molar Jockey Memoirs. Bodybuilders in Tutus is more than an excellent read on marketing. When you take action on the advice in this book, I promise you'll be doing one of the best things you've ever done to grow your business. Marshall Sylver, Bestselling Author and Founder of Get Rich Radio. Philipp has packed in all the essentials, an entertaining approach, sound marketing advice, and specific action steps. It's a must-read for any business. Dennis Buckley, DC Business Consultant and President of The Performance Advantage. Philipp has an irrepressible talent for finding a marketing angle and for telling a great story. This book has plenty of both. Deano Power, Founder of Byron New Media, New South Wales, Australia. In each chapter, Phil gave me as many laughs as he gave me powerful questions to ask myself and insights to implement. Brandon Middleton, President of Smart Simple Systems. I've added Bodybuilders in Tutus to my permanent bathroom business library, and I suggest you do the same. Kris Kiler, Author and President of Leader's Beacon.

TV News 3.0 Zafar Siddiqi, 2019-09-26 The future of television news is now. Are you ready for it? Television news, which has played a crucial role in the world's most momentous events from wars and royal weddings to mankind's first steps on the Moon, is in the midst of a digital-fuelled revolution. In its early years, TV news was monopolised by large corporations and state broadcasters who controlled what went on air and when. Then technological advances in the 1980s enabled billionaires like Ted Turner and Rupert Murdoch to muscle in and beam 24-hour news channels across the world via cable and satellite. Today we are living through a third turbulent iteration: streaming over the internet is radically changing how television is produced, watched, and delivered. It has so dramatically lowered the costs of entry into what was once the exclusive domain of governments, multinationals, and tycoons that almost anyone can now set up their own global news channel. But in such a

fragmented world awash with fake news who and what can we trust In this stimulating and authoritative study Zafar Siddiqi who has launched and run four news channels across three continents discusses the profound implications of this new era Aimed at entrepreneurs media students industry insiders and anyone interested in TV news and its effect on humankind it serves as a step by step guide for launching a news channel in the digital age They say that revolutions do not come with a manual This one does
