Authentic Discipleship:

Authentic Discipleship Edward Michael Gross, 2013-04-16 We are living in days when as Mike Breen says we are in a discipleship crisis in the Western Church George Barna's studies have shown that there is currently no discernible difference between the lifestyles of many believers and non believers This is the reason for this book to help you fulfill Jesus command to make disciples The book is helpful in at least two ways First the believer can and will grow spiritually by taking on the sessions one at a time to learn what it means to follow Jesus These sessions are meant to be nothing less than opportunities for an encounter with the living Lord Himself You can begin to monitor your own spiritual progress as Christ and His Book become more meaningful to you day by day Secondly the book is a guide to help a disciple maker take a disciple through it step by step so that together they can work through the stages of follow up and the beginnings of discipleship As Josh Hunt a leading guru of the micro church says of the book This book will take you step by step in laying the foundation every Christian needs to live a fruitful abundant Christian life Special attention is given to having assurance at three levels Promise Assurance from the guarantees of God's Word Proof Assurance from the evidences salvation gives in your life and Personal Assurance from the Holy Spirit Author Bio Dr Edward Michael Gross is President of Vanguard Global Network a pastoral training mission in Columbia SC which helps to equip the world's churches to fulfill the Great Commission in disciple making Ed was a pastor for 22 years and has served in world missions for the last 15 years Ed is married to Maxine they have 6 grown children and 11 grandchildren The Grosses live in Lexington SC keywords Church Growth Spiritual Growth Discipleship Bible Study Attributes Of God Holy Spirit Prayer Evangelism Church Leadership Church Workbook

Authentic Discipleship Martin Harris, 2019-02-06 Authentic discipleship is a step by step method for achieving Christian spiritual maturity It is a Bible based process using 2 Peter chapter 1 as its source The Apostle Peter reveals the process at the end of his life where he is expressing his concern for the spiritual well being of his flock The process reveals the actual expectations of the Lord for the spiritual development of Christian people for ministry and how to accomplish it The people were first called Christians at Antioch because they followed the teachings of Christ The term was meant to be derogatory but was never considered so by them They not only followed Him but also actually intended to allow the Living Savior to express Himself through them even as John the Baptist cried out He must increase but I must decrease The more Christlike we can become the greater our discipleship is realized It is the aim of this book to help Christians who so desire to realize their goal as the Lord permits *Authentic Discipleship* Edward Michael Gross, 2013-04-08 Who is this Jesus Who calls to us Who gave His all and Who asks for everything Who bids you Come follow Me The book *Authentic Discipleship* tells you what this means And how does one learn to listen To pray To love To walk with Him How do you learn to follow Jesus *Authentic Discipleship* helps you know how Are you ready to begin the journey *True Discipleship* John Koessler, 2003 In *True Discipleship* John Koessler provides a straightforward presentation of the characteristics Jesus required His disciples to

possess As he offers teaching on the practice and responsibility of being a disciple readers will be stretched in their thinking and encouraged in their journey *Stop Playing Church* Doug Franklin,2022-02-21 Do you long for God and faith to be real Stop Playing Church is one pastor s cry for authentic discipleship to stop pretending stop acting like Christians act and doing things Christians do and be followers of Jesus Written for anyone looking for something more to life or anyone who has been turned off or turned away by organized religion This book is for Christians who are tired of just going through the motions and church leaders who desire to lead people to deeper love and commitment to Christ It is about spiritual disciplines and discipleship that takes seriously who we are who God is and living in relationship with Christ It challenges us to step out of hiding to take off our mask and to be who we are without shame because we are a children of God Doug Franklin shares from his own personal experience as one who has struggled with playing church and living authentic faith as well as over 20 years of experience as a church leader to illustrate what is meant by playing church and authentic discipleship Readers are invited to embrace the freedom of vulnerability and live lives empowered by the Holy Spirit connecting to God and others doing life together Doug and his wife Nicole have been married over 25 years and have four children Doug graduated from University of Central Missouri received his MDiv from Saint Paul School of Theology and is an ordained Elder in the United Methodist Church He is Lead Pastor of North Star UMC in Kansas City MO Doug s desire to live his faith authentically has led him to serve his community as a firefighter EMT as well as a pastor and teacher He s an adjunct professor at North Central Missouri College It is from this experience and perspective that Doug writes and preaches about living authentically as a follower of Jesus **A Biblical Theology of Christian Discipleship** Johnny Turner,2021-06-11 A Biblical Theology of Christian

Discipleship is a spiritual resource that examines the biblical and theological doctrines to do ministry amid challenges and oppositions The role of the church is to persuade individuals to establish a philosophy of authentic discipleship This book challenges the church to walk humbly before God as genuine disciples The primary focus is to carefully follow Christ s mandate of the Great Commission in Matthew 28 18 20 Go and make disciples More importantly the book describes how the church can effectively use different methods and principles to better prepare believers for Christ *True Discipleship Companion Guide* John Koessler,2003-03 In True Discipleship and its companion guide Koessler provides a straightforward presentation of the characteristics Jesus laid out for His disciples As the author offers teaching on the practice of discipleship and the responsibility of being a disciple readers can be stretched in their thinking and encouraged in their journeys A Biblical Theology of Christian Discipleship Johnny Turner,2021-06-11 A Biblical Theology of Christian Discipleship is a spiritual resource that examines the biblical and theological doctrines to do ministry amid challenges and oppositions The role of the church is to persuade individuals to establish a philosophy of authentic discipleship This book challenges the church to walk humbly before God as genuine disciples The primary focus is to carefully follow Christ s mandate of the Great Commission in Matthew 28 18 20 Go and make disciples More importantly the book describes how the church can effectively

use different methods and principles to better prepare believers for Christ TRUE DISCIPLESHIP GARY CRANDALL, 2018-02-01 True Discipleship is a fresh approach to the issue of discipleship Although evangelical Christians are fairly united as to the goal of discipleship Christ likeness there is a lack of clear direction as to how to get there **The Message of Discipleship** Peter Morden, 2018-11-15 Soon after Jesus began his public ministry he called his first disciples He would teach and train them and then after his death and resurrection commission and empower them to go to the nations to make more followers The risen Jesus is still calling and sending people today If we heed his call the result can be just as transformative and exciting as it was for the first disciples While there are no explicit occurrences of the term disciple outside the Gospels and Acts with only two further biblical references to followers of Jesus it is Peter Morden's conviction that we need the entire Bible if we are going to be whole life disciples He reflects on Scripture and asks How do we live as committed disciples of Jesus today He explores the foundations resources and practice of discipleship in a range of Old and New Testament texts The result is a well rounded and satisfying picture of Christian discipleship one that is wonderfully attractive as well as deeply challenging With a fully integrated study guide suitable for both individuals and groups The Message of Discipleship will help you to see how the Bible's unified teaching on this vital theme can impact your life today The Bible Speaks Today series covers every book of the Old and New Testaments as well as Bible themes that run through the whole of Scripture
