Around 1981 Academic Feminist Literary Theory Role Women Feminism And Literature:

Around 1981 Jane Gallop, 2012-08-21 Jane Gallop's book offers a clear-eyed and comprehensive history of feminist literary criticism. Why she asks: have we so quickly buried 1970s feminist criticism? What lies buried there? Why do 1990s academic feminists accuse other academic feminists of being academic? Gallop takes the novel approach of structuring her inquiry around anthologies of feminist criticism: twelve important texts that have had a wide impact on more than a decade of scholarship. In reading an anthology as a whole, she typically identifies a central hegemonic voice, usually that of the editor, which would organise all the voices into a unity, and then explores the resistance within that volume to such a unity. Weight is placed behind these internal differences as a wedge against the centrist drive. Around 1981 addresses briefly French feminism and psychoanalytic feminism before focusing on its principal subject: the mainstream of feminist literary criticism before and after its general acceptance as part of the changing institution of literary studies. This brilliantly illuminates the dilemma of the feminist critic divided by her allegiance to both feminism and literary studies. Around 1981 Jane Gallop, 2012. A clear-eyed and comprehensive history of feminist literary criticism. In a novel approach, the inquiry is structured around anthologies of feminist criticism: twelve important texts that have had a wide impact on more than a decade of scholarship. In reading an anthology as a whole, the author identifies a central hegemonic voice which would organise all the voices into a unity, and then explores the resistance within that volume to such a unity. Weight is placed behind these internal differences as a wedge against the centrist drive. This book brilliantly illuminates the dilemma of the feminist critic divided by her allegiance to both feminism and literary studies. **Encyclopedia of Feminist Literary Theory** Elizabeth

Kowaleski-Wallace, 2009-03-23. First Published in 1997. Routledge is an imprint of Taylor & Francis, an informal company.

Feminism and Its Discontents Mari Jo BUHLE, Mari Jo Buhle, 2009-06-30. With Sigmund Freud notoriously flummoxed about what women want, any encounter between psychoanalysis and feminism would seem to promise a standoff. But in this lively, often surprising history, Mari Jo Buhle reveals that the twentieth century's two great theories of liberation actually had a great deal to tell each other. Starting with Freud's 1909 speech to an audience that included the feminist and radical Emma Goldman, Buhle recounts all the twists and turns this exchange took in the United States up to the recent American vogue of Jacques Lacan. While chronicling the contributions of feminism to the development of psychoanalysis, she also makes an intriguing case for the benefits psychoanalysis brought to feminism. From the first American psychoanalysis became the property of freewheeling intellectuals and popularists as well as trained analysts. Thus the cultural terrain that Buhle investigates is populated by literary critics, artists, and filmmakers, historians, anthropologists, and sociologists, and the resulting psychoanalysis is not so much a strictly therapeutic theory as an immensely popular form of public discourse. She charts the history of feminism from the first wave in the 1910s to the second in the 1960s and into a variety of recent expressions. Where these paths meet, we see how the ideas of Freud and his followers helped further the real-life goals of a

feminism that was a widespread social movement and not just an academic phenomenon The marriage between psychoanalysis and feminism was not pure bliss however and Buhle documents the trying moments most notably the Momism of the 1940s and 1950s a remarkable instance of men blaming their own failures of virility on women An ambitious and highly engaging history of ideas *Feminism and Its Discontents* brings together far flung intellectual tendencies rarely seen in intimate relation to each other and shows us a new way of seeing both Table of Contents Introduction Feminism Freudianism and Female Subjectivity Dissent in Freud's Ranks Culture and Feminine Personality Momism and the Flight from Manhood Ladies in the Dark Feminists versus Freud Feminine Self in Relation The Crisis in Patriarchal Authority In the Age of the Vanishing Subject Notes Acknowledgments Index Reviews of this book Where some feminists have been hostile to psychoanalysis and some psychoanalysts have been hostile to feminism Buhle a MacArthur Fellow and professor at Brown University finds them linked in their quest to understand selfhood gender identity family structures and sexual expression *Feminism and Its Discontents* is an excellent guide to the history of these ideas The struggles of feminism and psychoanalysis may be cyclical but they are far from over and far from dull Elaine Showalter Washington Post Book World Reviews of this book Buhle's project is to uncover the continual conversation that feminism and psychoanalysis have had with one another to show how they are mutually constitutive By charting the exchanges between psychoanalysis and feminism *Feminism and Its Discontents* corrects the common impression that feminist criticisms fell on deaf if not disdainful ears Buhle takes pains to detail how feminists and their opponents inside and outside psychoanalysis have set the terms for key debates Buhle is an animated and engaged storyteller The story she tells covering nearly a century of the vicissitudes of psychoanalysis and feminism is full of twists and turns well chosen anecdotes and occasional double crosses The cast of characters is inspiring exasperating remarkable mercurial colorful and sometimes slightly loony Buhle draws them with sympathy and a keen eye for the evocative detail Buhle writes with zest touches of humor and energy Her style is witty and readable It is no mean feat to avoid ponderous and technical language when writing about psychoanalysis but she manages it All told psychoanalysis and feminism sometimes in tandem and sometimes at arm's length have made vital contributions to the question of female selfhood The odd couple of our century they share a large part of the responsibility for our particular form of self consciousness and for the meaning of individuality in modern society Mari Jo Buhle deftly illuminates how together they advanced the ambiguous and radical project of modern selfhood Jeanne Marecek Women's Review of Books Reviews of this book *Feminism and Its Discontents* sets out to unravel the wondrously complex love hate relationships between and within feminism and psychoanalysis which it sees as the two most important movements of modernity The twists and tensions in that relationship highlight the continuous arguments around sexual difference and their entanglement in the messy conflicts in women's lives between motherhood and careers self realization and gender justice Buhle leads her readers through the repeated battles over feminism Freudianism and female subjectivity with exceptional clarity and care Her book will serve as

a reliable introduction for those who have scant knowledge of the historical ties binding feminism to psychoanalysis and is also useful for those who wish to remind themselves of what they thought they already knew but may well have forgotten

Lynn Segal Radical Philosophy Reviews of this book *Feminism and Its Discontents* adds a novel and welcome twist to the Freud conversation the proposition that feminism was so central to Freud's Americanization that the quest for gender equality can be credited with turning psychoanalysis into what we imagine it always was an enterprise centered on femininity and female sexuality Buhle's assertions are as enticing as they are controversial The book is as relevant for students of feminist politics as for scholars interested in the history of psychoanalysis itself Ellen Herman *Journal of American History* Reviews of this book An exhaustively researched and accessibly written account of the intersections and collisions between psychoanalysis and feminism Buhle chronicles the gyrations of history and assesses how social theory influences culture and vice versa The result is far reaching and she is at her best when reflecting on how the mainstream accommodates and interprets the scholarly Overall the text promises a lively overview of the mutual benefits derived from a critical coalition between psychoanalysis and feminism Highly recommended for all libraries Eleanor J Bader *Library Journal* Reviews of this book Buhle bases her intriguing and expansive historical study on the premise that feminism and psychoanalytic theory each in its own way concerned with understanding the self developed in continuous dialogue with each other The author's captivating energetic writing style reflects the often spirited surprisingly tenacious relationship of these two theories from their emergence as unlikely bedpartners of Modernism through the shifting intellectual patterns of this century and the insidious mother blaming of the 50s to the contemporary postmodern paradigm of subjectivity and selfhood Combining thorough research and incisive analysis Buhle examines the ongoing discourse among Freudian new Freudian and feminist theorists throughout the century as well as the endless fascination of popular culture with the questions of biology versus culture difference versus equality A vital addition to both women's studies and psychology collections Grace Fill *Booklist* Reviews of this book *Feminism and Its Discontents* covers a dazzling spectrum of thinkers and polemicists ranging from Charlotte Perkins Gilman to Barbara Ehrenreich with admirable clarity and succinctness Buhle's reach in terms of American and French classical neo and post Freudian writing by men and women on women's psychosexual development is equally impressive Few scholars would attempt a comprehensive intellectual history on such a charged topic Buhle has done so in this informative scholarly feat *Kirkus Reviews* Reviews of this book Buhle has bridged the void between feminism and psychoanalysis with a historian's thorough and penetrating interpretation of theories and thoughts implicit in 20th century liberation movements The introduction is clearly developed and carefully documented Each chapter is skillfully organized with extensive references and notes to motivate the astute scholar There is no question that Buhle has adeptly used a multidisciplinary approach to present ideas and thoughts that give contemporary feminists and post Freudians another opportunity for dialogue on the terms difference and equality G M Greenberg *Choice* *Feminism and psychoanalysis* have each

been defining moments of this now fading century and in their tangled relations lie some of its main preoccupations. It takes a historian's eye to unravel this story and one with the breadth, sympathy, insight, and wit of Mari Jo Buhle to do it justice. *Feminism And Its Discontents* will undoubtedly stand as the definitive study of the encounter between these two great movements. Joel Kovel, Bard College, author of *Red Hun*. [Feminist Theory and the Bible](#) Esther Fuchs, 2016-02-23 *Feminist Theory and the Bible* Interrogating the Sources conceptualizes, contextualizes, and maps a new kind of burgeoning scholarship that has grown up in recent decades. This scholarship emerged in the margins of Feminist Studies and Biblical Studies and has yet to find a foothold in either one of these more established contexts. In this book, Esther Fuchs argues that in order to find an enduring, stable place in the academy, this scholarship requires a theoretical perspective. Biblical Studies as a whole has not yet been sufficiently theorized as an academic field and currently consists of multiple disciplines relying for the most part on traditional scholarly discourses. In this regard, Feminist Biblical Studies is both a departure from and an important supplement to both Feminist Studies and Biblical Studies. *Encyclopedia of American Literature*, Manly, Inc., 2013-06 Susan Clair Imbarrato, Carol Berkin, Brett Barney, Lisa Paddock, Matthew J. Bruccoli, George Parker Anderson, Judith S. *Why Feminism?* Lynne Segal, 2015-03-30 This major new book explores the peculiar place of feminism in contemporary culture. **Feminist Criticism and Social Change (RLE Feminist Theory)** Deborah Rosenfelt, Judith Newton, 2013-05-20 This lively and controversial collection of essays sets out to theorize and practice a materialist feminist criticism of literature and culture. Such a criticism is based on the view that the material conditions in which men and women live are central to an understanding of culture and society. It emphasises the relation of gender to other categories of analysis such as class and race and considers the connection between ideology and cultural practice and the ways in which all relations of power change with changing social and economic conditions. By presenting a wide range of work by major feminist scholars, this anthology in effect defines as well as illustrates the materialist feminist tendency in current literary criticism. The essays in the first part of the book examine race, ideology, and the literary canon and explore the ways in which other critical discourses such as those of deconstruction and French feminism might be useful to a feminist and materialist criticism. The second part of the book contains examples of such criticism in practice with studies of individual works, writers, and ideas. An introduction by the editors situates the collected essays in relation both to one another and to a shared materialist feminist project. *Feminist Criticism and Social Change* demonstrates the important contribution of materialist feminist criticism to our understanding of literature and society and fulfils a crucial need among those concerned with gender and its relation to criticism. [Time and the Literary](#) Karen Newman, Jay Clayton, Marianne Hirsch, 2013-09-13 *Time and the literary* the immediacy of information technology has supposedly annihilated both. Email, cell phones, satellite broadcasting seem to have ended the long-standing tradition of encoding our experience of time through writing. Paul de Man's seminal essay *Literary History and Literary Modernity* and newly commissioned essays on everything from the human

genome to grammatical tenses argue however that the literary constantly reconstructs our understanding of time From eleventh century France or a science fiction future Timeand the Literary shows how these two concepts have been and will continue to influence each other **International Companion Encyclopedia of Children's Literature** Peter Hunt,2004-08-02 Children s publishing is a huge international industry and there is ever growing interest from researchers and students in the genre as cultural object of study and tool for education and socialization

The Engaging Realm of Kindle Books: A Detailed Guide Revealing the Pros of Kindle Books: A World of Ease and Flexibility
