Art Therapy In Asia To The Bone Or Wrapped In Silk:

Art Therapy in Asia Debra L. Kalmanowitz, Siu Mei Chan, Jordan S. Potash, 2012-04-15 This edited book documents how the field of art therapy is taking shape as both a profession and a discipline across Asia. It explores how art therapists in the East are assimilating Western models and adapting them to create unique and inspirational new approaches that both East and West can learn from.

The Introductory Guide to Art Therapy Susan Hogan, Annette M. Coulter, 2014-02-05 The Introductory Guide to Art Therapy provides a comprehensive and accessible text for art therapy trainees. Susan Hogan and Annette M. Coulter here use their combined clinical experience to present theories, philosophies, and methods of working clearly and effectively. The authors cover multiple aspects of art therapy in this overview of practice from working with children, couples, families, and offenders to the role of supervision and the effective use of space. The book addresses work with diverse groups and includes a glossary of key terms ensuring that complex terminology and theories are clear and easy to follow. Professional and ethical issues are explored from an international perspective, and careful attention is paid to the explanation and definition of key terms and concepts. Accessibly written and free from jargon, Hogan and Coulter provide a detailed overview of the benefits and possibilities of art therapy. This book will be an indispensable introductory guide for prospective students, art therapy trainees, teachers, and therapy practitioners. The text will also be of interest to counsellors and other allied health professionals who are interested in the use of visual methods.

Foundations of Art Therapy Meera Rastogi, Rachel P. Feldwisch, Michelle Pate, Joseph Scarce, 2022-06-30 Foundations of Art Therapy: Theory and Applications is an essential and comprehensive introduction to the field of art therapy that blends relevant psychological and neuroscience research, theories, and concepts and infuses cultural diversity throughout each chapter. The text includes full-color photos, informative charts, and case examples and is divided into four parts, beginning with the basics of art therapy knowledge and concluding with professional practices in art therapy. The fundamentals of art therapy section includes coverage of art therapy founders, art materials, multicultural perspectives, intersections with neuroscience, and research methods. An overview and in-depth explorations of different theoretical approaches to the practice of art therapy are covered in the second part of the book. A bio-psycho-social approach integrates current research on art therapy with specific populations: children, mental health, older adults, and trauma. The book concludes with art therapy professional practices in group, concepts, community-based art therapy, and developing a career in the field. Each chapter contains chapter objectives, practical applications, ethical considerations, reflection questions, experiential exercises, and a list of terms. The unique practical and interdisciplinary approach of this text provides a solid base for understanding the field of art therapy and is well-suited for use in undergraduate art therapy courses. This book will appeal to those who want an introduction to the field's theories, research, and practice and those seeking a comprehensive understanding of the foundations of art therapy. Full-color photos, informative charts, and case examples. Definitions, key details, and clear explanations of major concepts. Evidence
