Arturius - a Quest for Camelot D. F. Carroll,1996 The Quest for King Arthur Roger M Daniel B.Ed (Hons),2016-06-02
Join in the quest to discover the historical figure behind the legends of King Arthur Roger M Daniel B Ed Hons takes the reader on a voyage of discovery Using ancient texts recent research and imaginative writing Roger unpacks the myths revealing that truth is sometimes as wondrous as fiction Get Free! Live Free! Stay Free! Jay Lowndes,2010-03-31 A chronology that explores the origins of what the American Founders pulled together to craft the world s oldest Constitution and a guide to how people can make the American system work for them **Thief** Linda Windsor,2011-06-01 Exiled in shame and wounded in battle Caden O Byrne accepts a mission of penance to search for his healer s long lost daughter At worst he ll finally get his death wish At best this could be God s second chance But the lovely minstrel Sorcha wants no part in him his newfound God or the rescue In fact she s robbed him blind to help finance her work of buying young captives and returning them to their families She s also gone into debt and promised to marry a man she doesn t love all for the children s sake But before she and Caden can sort out the situation a treacherous murder forces them to run for their lives together While Caden s rekindled faith is tested Sorcha wonders if his God is real If so can a thief like her dare hope for His mercy And do the two of them have a chance of reaching home Sorcha s real home alive The Mammoth Book of King Arthur Mike Ashley,2011-09-01 The most complete guide ever to the real Arthurian world and the legends that surround it He defeated the Saxons so decisively at the Battle of Badon that he held the Saxon invasion of Britain at bay for at least a generation He has inspired more stories books and films than any other historical or legendary figure But who was the real King Arthur Here is the most comprehensive guide to the real Arthurian world and the legends that surround and often obscure it Sifting fact from fancy Mike Ashley reveals the originals not only of King Arthur but also of Merlin Guinevere Lancelot and the knights of the Round Table as well as all the major Arthurian sites He traces each of the legends as they developed and brilliantly shows how they were later used to inspire major works of art poetry fiction and film There is clear evidence that The Arthurian legends arose from the exploits of not just one man but at least three originating in Wales Scotland and Brittany The true historical Arthur really existed and is distantly related to the present royal family The real Arthur and the real Merlin never knew each other The real Lancelot was not British but was closer to a sixth century asylum seeker The Holy Grail legend probably grew out of a cosmic catastrophe that could have destroyed most of civilization A Wild Call Martyn Murray,2017-10-10 Martyn Murray was finding modern life with all its restrictions and controls suffocating Following years of soul searching his father s death triggered him into opening the old logbooks and charts to retrace the sailing trips they had once shared together He determined to revisit those waters and bring home the freedom of the seas Falling in love with an old ketch in Ireland he bought and restored her enough to sail back to Scotland Over the next two summers he cruised Scotland s Western Isles with one goal to reach St Kilda the remotest part of the British Isles 40 miles

from the Outer Hebrides During his cruising he considered the islanders and their sense of freedom often restricted by absentee landlords and officialdom He railed against bureaucracy and commercial enterprise restricting the yachtsman's ability to roam free For parts of his journey he was joined by the beguiling Kyla a rare independent spirit who both excited and frustrated Martyn But much of Martyn's voyaging was undertaken alone encountering a variety of places situations and characters along the way He attempted his long awaited sail out to St Kilda through the teeth of a storm believing that achieving this feat would bring him the freedom and clarity that he craved What he came up against was far more testing and turbulent than the tides and gales of the North Atlantic As he sailed back to the mainland things fell into place a sense of achievement in completing the arduous voyage alone but most of all an understanding of who he is clarity on his relationship with Kyla and a real sense of his own freedom

The Historical Arthur and The Gawain Poet Andrew Breeze, 2023-01-09 The Historical Arthur and The Gawain Poet Studies on Arthurian and Other Traditions delves into the origins of Arthur and reveals the author of the famous Gawain Manuscript Its first part contains evidence for the Arthur of film and legend as a real person a Celtic commander not a king who fought battles in North Britain during the terrible volcanic winter of 536-7 before dying a hero's death in a conflict on Hadrian's Wall Its second part moves on to Sir Gawain and the Green Knight an Arthurian poem on magic near death and near seduction Its author has always been unknown but Dr Breeze uses arguments of the US scholar Ann W Astell to date the text to 1387 and name the poet as Sir John Stanley d 1414 a Cheshire and Lancashire grandee He can now be recognized as an artist of genius comparable to Chaucer himself What is said in this book on John Stanley and his circle thus allows the greatest advance in Arthurian Studies since 1934 when Walter Oakeshott discovered the Winchester Malory amongst manuscripts of an English school library

King Arthur Daniel Mersey, 2013-07-20 From his court at Camelot King Arthur ruled over a unified Britain in a mythical age of peace and prosperity His glory however would be short lived For even as he drew the sword from the stone a doom settled over Arthur that would see his kingdom fall to betrayal and war In this book Daniel Mersey retells the great stories of Arthur from his winning of Excalibur and his marriage to Guinevere through his battle with the giant in France and his war against the army of Rome to the treachery of Mordred and his death at Camlann Supporting this narrative is an exploration of the different facets of Arthurian myth including the numerous conflicting theories of his historical origin the tales of Welsh folklore and Medieval romance and even his various portrayals in the modern media Presented with both classic and newly commissioned artwork this book is an easy to read yet highly detailed introduction to the complex body of myth and legend that surrounds Britain's greatest hero

The Arthurian Place Names of Wales Scott Lloyd, 2017-02-27 This new book examines all of the available source materials dating from the ninth century to the present that have associated Arthur with sites in Wales The material ranges from Medieval Latin chronicles French romances and Welsh poetry through to the earliest printed works antiquarian notebooks periodicals academic publications and finally books written by both amateur and professional

historians alike in the modern period that have made various claims about the identity of Arthur and his kingdom All of these sources are here placed in context with the issues of dating and authorship discussed and their impact and influence assessed This book also contains a gazetteer of all the sites mentioned including those yet to be identified and traces their Arthurian associations back to their original source [A Brief History of King Arthur](#) Mike Ashley,2013-02-07 Who was the real King Arthur What do the historical documents tell us about the Knight of the Round Temple It is just a chivalric fantasy The story of Arthur has been handed down to us by Medieval poets and legends but what if he actually existed and was in fact a great king in the early years of Britain s story Mike Ashley visits the source material and uncovers unexpected new insights into the legend there is clear evidence that the Arthurian legends arose from the exploits of not just one man but at least three originating in Wales Scotland and Brittany The true historical Arthur really existed and is distantly related to the present royal family
