International Marketing Sak Onkvisit,John J. Shaw,2009-05-07 Marketing is a universal activity that is widely applicable regardless of the political social or economic systems of a particular country However this doesn t mean that consumers in different parts of the world should be satisfied in the same way The fifth edition of International Marketing has been written to enable managers and scholars to meet the international challenges they face every day It provides the solid foundation required to understand the complexities of marketing on a global scale Fully updated this book includes topical

case studies examples of contemporary marketing campaigns the most relevant discussion topics and up to date theories references and research findings It is this combination of theory and practice that makes this textbook truly unique presenting a fully rounded view of the topic rather than solely an anecdotal or descriptive one *Jane's All the World's Aircraft* ,2009 Automotive FDI in Emerging Europe A. J. Jacobs,2017-06-19 This book examines the dramatic increase in automotive assembly plants in the former Socialist Central European CE nations of Czechia East Germany Hungary Poland and Slovakia from 1989 onwards Enticed by relatively lower wage labour and significant government incentives the world s largest automakers have launched more than 20 passenger car assembly complexes in CE nations with production accelerating dramatically since 2001 As a result the annual passenger car production in Western Europe declined by more than 20% between 2001 and 2015 and alternatively in the CEE it increased by nearly 170% during this period Drawing on case studies of 25 current and former foreign run assembly plants the author presents a rare historical account of automotive foreign assembly plants in the CE following this dramatic geographic shift This book will expand the knowledge of policy makers in Europe in relation to their pursuits of FDI and will be of great interest to scholars and students of business economic history political science and development
