Art Deco Hair Hairstyles From The 1920s And 1930s Vintage Living:

Art Deco Hair Daniela Turudich,2013 At head of title Vintage beauty sourcebook *Encyclopedia of Hair* Victoria Sherrow,2023-03-30 This popular volume on the culture of hair through human history and around the globe has been updated and revised to include even more entries and current information How we style our hair has the ability to shape the way others perceive us For example in 2017 the singer Macklemore denounced his hipster undercut hairstyle a style that is associated with Hitler Youth and alt right men and in 2015 actress Rose McGowan shaved her head in order to take a stance against the traditional Hollywood sex symbol stereotype This volume examines how hair or lack thereof can be an important symbol of gender class and culture around the world and through history Hairstyles have come to represent cultural heritage and memory and even political leanings social beliefs and identity This second edition builds upon the original volume updating all entries that have evolved over the last decade such as by discussing hipster culture in the entries on beards and mustaches and recent medical breakthroughs in hair loss New entries have been added that look at specific world regions hair coverings political symbolism behind certain styles and other topics **Молодые и красивые. Мода двадцатых годов** Ольга Хорошилова,2022-01-29 gar onne flapper 1920 **Hair Cutting and Shaping** Manjusha Chadha,2025-01-03 The illustrations in this book are created by Team Educohack Hair Cutting and Shaping Styles for Every Look is your ultimate guide to mastering the art of haircutting and shaping We provide comprehensive insights and techniques to help you achieve salon quality styles at home or as an aspiring hairstylist This book delves deep into the fundamentals of haircutting We cover essential haircutting knowledge such as grasping reference points understanding lines and angles and mastering elevation and guidelines for precise haircutting Learn how to effectively consult with clients considering face shapes and hair characteristics to achieve their desired look Explore the tools of the trade from shears and razors to combs and clips and gain insights on proper handling and care Follow step by step instructions for popular haircuts including blunt cuts graduated haircuts layered cuts and bobs A dedicated section delves into men s haircutting techniques from classic cuts to trendy styles Go beyond cutting with valuable tips for hairstyling clients based on hair type and facial features Learn crucial safety procedures to prevent accidents and ensure a comfortable experience for both you and your clients Our book also includes engaging exercises to reinforce your learning and test your newfound skills With its comprehensive approach Hair Cutting and Shaping Styles for Every Look empowers you to become a confident and creative hairstylist [Design History Beyond the Canon](#) Jennifer Kaufmann-Buhler,Victoria Rose Pass,Christopher Wilson,2019-02-07 Design History Beyond the Canon subverts hierarchies of taste which have dominated traditional narratives of design history The book explores a diverse selection of objects spaces and media ranging from high design to mass produced and mass marketed objects as well as counter cultural and sub cultural material The authors research highlights the often marginalised role of gender and racial identity in the production and consumption of design the politics which underpins design practice and the role of designed

objects as pathways of nostalgia and cultural memory While focused primarily on North American examples from the early 20th century onwards this collection also features essays examining European and Soviet design history as well as the influence of Asia and Africa on Western design practice The book is organised in three thematic sections Consumers Intermediaries and Designers The first section analyses a range of designed objects and spaces through the experiences and perspectives of users The second section considers intermediaries from both technology and cultural industries as well as the hidden labour within the design process itself The final section focuses on designers from multiple design disciplines including high fashion industrial design interior design graphic design and design history pedagogy The essays in all three sections utilise different research methods and a wide range of theoretical approaches including feminist theory critical race theory spatial theory material culture studies science and technology studies and art history Design History Beyond the Canon brings together the most recent research which stretches beyond the traditional canon and looks to interdisciplinary methodologies to better understand the practice and consumption of design

Dwelling in the World Elizabeth LaCouture,2021-08-10 By the early twentieth century Chinese residents of the northern treaty port city of Tianjin were dwelling in the world Divided by nine foreign concessions Tianjin was one of the world s most colonized and cosmopolitan cities Residents could circle the globe in an afternoon strolling from a Chinese courtyard house through a Japanese garden past a French Beaux Arts bank to dine at a German caf and fall asleep in a British garden city style semi attached brick house Dwelling in the World considers family house and home in Tianjin to explore how tempos and structures of everyday life changed with the fall of the Qing Empire and the rise of a colonized city Elizabeth LaCouture argues that the intimate ideas and practices of the modern home were more important in shaping the gender and status identities of Tianjin s urban elites than the new public ideology of the nation Placing the Chinese home in a global context she challenges Euro American historical notions that the private sphere emerged from industrialization She argues that concepts of individual property rights that emerged during the Republican era became foundational to state society relations in early Communist housing reforms and in today s middle class real estate boom Drawing on diverse sources from municipal archives women s magazines and architectural field work to social surveys and colonial records Dwelling in the World recasts Chinese social and cultural history offering new perspectives on gender and class colonialism and empire visual and material culture and technology and everyday life

Fashion in Costume 1200-2000, Revised Joan Nunn,2000-02-14 Here is an updated edition of Joan Nunn s detailed survey of costume in the Western world over the past eight centuries She not only gives the reader a vivid visual impression of the clothes themselves but also outlines the historical and social background and the changes in manufacturing techniques and fashionable life that have influenced the way costume has developed and the manner in which it has been worn The book is illustrated throughout with hundreds of line drawings

The Good Life Guide to Sydney Tessa Louise Mountstephens,1996 **Coffee Life in Japan** Merry White,2012-05-01 This fascinating

book part ethnography part memoir traces Japan's vibrant café society over one hundred and thirty years Merry White traces Japan's coffee craze from the turn of the twentieth century when Japan helped to launch the Brazilian coffee industry to the present day as uniquely Japanese ways with coffee surface in Europe and America White's book takes up themes as diverse as gender privacy perfectionism and urbanism She shows how coffee and coffee spaces have been central to the formation of Japanese notions about the uses of public space social change modernity and pleasure White describes how the café in Japan from its start in 1888 has been a place to encounter new ideas and experiments in thought behavior sexuality dress and taste It is where a person can be socially artistically or philosophically engaged or politically vocal It is also importantly an urban oasis where one can be private in public *Dime-store Dream Parade* Robert Heide, John Gilman, 1979
