Epictetus A. A. Long, 2002-01-10 The philosophy of Epictetus a freed slave in the Roman Empire has been profoundly influential on Western thought it offers not only stimulating ideas but practical guidance in living one s life A A Long a leading scholar of later ancient philosophy gives the definitive presentation of the thought of Epictetus for a broad readership Long s fresh and vivid translations of a selection of the best of Epictetus discourses show that his ideas are as valuable and striking today as they were almost two thousand years ago The translations are organized thematically within the framework of an authoritative introduction and commentary which offer a way into this world for those new to it and illuminating interpretations for those who already know it Epictetus is known as one of the great Stoic thinkers But he took the life and conversation of Socrates as his educational model His Socratic allegiance scarcely examined before is a major theme of this ground breaking book Long shows how Epictetus offered his students a way of life premised on the values of personal autonomy and integrity Never a sermonizer Epictetus engages his students in brilliantly challenging dialogue Long offers the first accessible study of his argumentative and rhetorical methods This is a book for anyone interested in what we can learn from ancient philosophy about how to live our lives 100 Conversations You Need to Have (Trilogy) Perry Giuseppe Rizopoulos, 2019-10-01 The notebooks included in the three volume set 100 Conversations You Need to Have contain A Philosophy Guide A Stoic Philosophy Guide and A Chinese Philosophy Guide Each notebook offers an accessible and thought provoking collection of life s big questions and corresponding answers from some of history s greatest philosophers Readers are provided with the opportunity to answer each question turn the page and receive a short piece of advice from thinkers on topics that include Happiness Friendship Discipline Patience The meaning of life and death And other essential topics The list
