As High As The Heavens As High As The Heavens:

As High as the Heavens David M. Edwards, 2006 One book in a series of three each one featuring devotional writings based on the Psalms with an accompanying CD of worship music *God Under Fire* Zondervan, 2009-12-15 God Never Changes Or does he God has been getting a makeover of late a reinvention that has incited debate and troubled scholars and laypeople alike Modern theological sectors as diverse as radical feminism and the new open theism movement are attacking the classical Christian view of God and vigorously promoting their own images of Divinity *God Under Fire* refutes the claim that major attributes of the God of historic Christianity are false and outdated This book responds to some increasingly popular alternate theologies and the ways in which they cast classical Christian theism in a negative light Featuring an impressive cast of world class biblical scholars philosophers and apologists *God Under Fire* begins by addressing the question Should the God of Historic Christianity Be Replaced From there it explores issues as old as time and as new as the inquest into the openness of God How for instance does God risk relate emotive and change Does he do these things and if so why These and other questions are investigated with clarity bringing serious scholarship into popular reach Above all this collection of essays focuses on the nature of God as presented in the Scriptures and as Christians have believed for centuries *God Under Fire* builds a solid and appealing case for the God of classical Christian theism who in recent years as through the centuries has been the God under fire **Foreskin Dowry** Dr. D. K. Olukoya, Many people never bother to find out what God's plan for their lives is Rather they blindly and hastily pursue their personal ambition But the truth is that God will not support you in a mission He has not sent you As a result many are building on a faulty foundation while others are busy erecting faulty foundations for their generations yet unborn All these have consequences *Foreskin Dowry* takes an incisive look at the effects of these actions on our foundation and teaches what we must do and the kind of prayers we must pray in order to overcome the ugly consequences **The Imperial Bible-Dictionary** Patrick Fairbairn, 1866 **The miscellaneous works of Archibald McLean** Archibald McLean, 1847 **NLT Life Application Study Bible, Third Edition, Large Print** Tyndale, 2020-05-19 Trusted Treasured by Millions of Readers over 30 years the Life Application Study Bible Is Today's 1 Selling Study Bible and a Bible for All Times Now it has been thoroughly updated and expanded offering even more relevant insights for understanding and applying God's Word to everyday life in today's world Discover How You Can Apply the Bible to Your Life Today Now with a fresh two color interior design and meaningfully updated study notes and features this Bible will help you understand God's Word better than ever It answers questions that you may have about the text and provides you practical yet powerful ways to apply the Bible to your life every day Study the stories and teachings of the Bible with verse by verse commentary Gain wisdom from people in the Bible by exploring their accomplishments and learning from their mistakes Survey the big picture of each book through overviews vital statistics outlines and timelines and grasp difficult concepts using in text maps charts and diagrams all to help you do life God's way
