Availability The Challenge And The Gift Of Being Present:

Availability Robert J. Wicks, 2015-11-20 For almost thirty years *Availability* has been a trusted guide for cultivating openness and being present to God self and others In this new edition Robert Wicks describes availability as a challenging but spiritually rewarding way to live a more balanced life Drawing insights from his spiritual mentors Henri Nouwen and Thomas Merton Wicks shows how freely entering into the turmoil and joy of other people's lives can lead to deeper self knowledge and a powerful encounter with Christ In this simple accessible book written in his characteristic warm and direct style Wicks shows how self awareness compassion for others and prayer are but different turns on the same road of finding and living the Truth Wicks looks at the three dimensions of spirituality through the lens of availability Looking first at self awareness he offers brief chapters on forgiveness clarity and the uniqueness of each person In part two he examines availability to others as a twofold challenge negotiating the difficulties inherent in relationships and entering into others pain In part three Wicks explores availability to God focusing on letting go and experiencing him

Joy Of Being Mindfully Present Kristin Larsen, 2023-10-21 What if you knew how to create joy in any moment while being present in your life is a book that explores what presence and joy are to each person in their lives The book discusses the essential elements required to experience joy and be in presence in each life moment Processing and understanding emotions is an important topic theme discussed which reveals the connection between joy and presence Kristin presents living in presence in a way that invites curiosity to discover what the vision looks like for each individual and what is getting in the way from experiencing it The reader can expect to be guided through thought provoking questions and resources that assist them with accessing their own inner wisdom to make living in joy and presence possible In his latest book Kristin Larsen shares writing the book was always about creating a deep connection to self and others I wanted to provide a tool of awakening reflection and resources that help people discover new choices by seeing other perspectives and to find inner peace through the daily habit of presence The book encourages taking the journey within self to open the heart to connection of authentic acceptance and expression Joy resides fully embracing the present moment whatever it may contain with appreciation and curiosity Larsen shares this thought with an important question Appreciating the joy in life isn't always easy During moments of hardship challenges and setbacks joy seems even less a part of our lives Yet deep inside we know that even during difficult times joy is still within and around us So why can we often not access it His intention is for the book to answer the question and give the reader the tools to access joy whenever they want despite circumstance or situations May this book offer you a way to create a vision of what presence and joy feels like in your life

Book Review 1 This book is simply bursting with wise teachings easeful exercises and gentle prompts that show us how presence and by extension greater joy and fulfillment is absolutely possible for each of us

Generalized Intelligent Framework for Tutoring is a modular service oriented architecture developed to lower the skills and time needed to author effective adaptive instruction Design goals for GIFT also include capturing best instructional practices promoting standardization and reuse for adaptive instructional content and methods and methods for evaluating the effectiveness of tutoring technologies Truly adaptive systems make intelligent optimal decisions about tailoring instruction in real time and make these decisions based on information about the learner and conditions in the instructional environment The GIFT Users Symposia were started in 2013 to capture successful implementations of GIFT from the user community and to share recommendations leading to more useful capabilities for GIFT authors researchers and learners

Proceedings of the 5th Annual Generalized Intelligent Framework for Tutoring (GIFT) Users Symposium (GIFTSym5) Robert Sottolare, 2017-07-17 This is the fifth year we have been able to capture the research and development efforts related to the Generalized Intelligent Framework for Tutoring GIFT community which at the writing of these proceedings has well over 1000 users in over 65 countries We are proud of what we have been able to accomplish with the help of our user community These proceedings are intended to document the evolutions of GIFT as a tool for the authoring of intelligent tutoring systems ITSs and the evaluation of adaptive instructional tools and methods

Proceedings of the Sixth Annual GIFT Users Symposium Robert A. Sottolare, Ph.D., 2018-05-30 GIFT is a free modular open source tutoring architecture that is being developed to capture best tutoring practices and support rapid authoring reuse and interoperability of Intelligent Tutoring Systems ITSs The authoring tools have been designed to lower costs and entry skills needed to author ITSs and our research continues to seek and discover ways to enhance the adaptiveness of ITSs to support self regulated learning SRL This year marks the sixth year of GIFT Symposia and we accepted 30 papers for publication in this year's proceedings

The Gift of Responsibility Lewis S. Mudge, 2008-06-06 This book argues that Judaism Christianity and Islam locked as they have been over the centuries in many kinds of mutual enmity and violence now need to join resources to resist the destructive economic and political forces on the loose across the globe some of which distrust among these faiths has tended to intensify
