ABOUT SAPIENS EDITORIAL Books are mentors Books can guide what we do and our lives Many of us love books while reading them and maybe they will echo with us a few weeks after but 2 years later we can't remember if we have read it or not And that's a shame We remember that at that time the book meant a lot to us Why is it that 2 years later we have forgotten everything That's not good This summary is taken from the most important themes of the original book Most people don't like books People just want to know what the book says they have to do If you trust the source you don't need the arguments So much of a book is arguing its points but often you don't need the argument if you trust the source you can just get the point This summary takes the effort to distill the blahs into themes for the people who are just not going to read the whole book All this information is in the original book

Oprah, Miracles, and the New Earth Erwin W. Lutzer,2008-11-06 When the world's most powerful celebrity according to Forbes magazine personally teaches a course on miracles millions will join her class including many believers What will happen when the coursework blends inspiration and encouragement with some of the oldest heresies in the Enemy's arsenal People you know and love may dismiss the claims of Jesus Christ as the only way to God Dr Erwin Lutzer's insight and clarity reveals the true nature of contemporary spirituality tracing its roots across a range of false belief systems and back to its first appearance in the garden of Eden In a day when so many seek direction from the media it remains essential to carefully discern between truth and the lie
