plays staged in the UK and US and brings the rich fields of Beckett studies and disability studies into mutually illuminating conversation Pairing original interviews with the actors and directors involved in these productions alongside critical analysis underpinned by recent disability and performance theory this book explores how these productions emphasise or rework previously undetected indicators of disability in Beckett's work More broadly it reveals how Beckett's theatre compulsively interrogates alternative embodiments unexpected forms of agency and the extraordinary social interdependency of the human body

Transfiguring medievalism Cary Howie, 2020-12-15 Transfiguring medievalism combines medieval literature modern poetry and theology to explore how bodies including literary bodies can become apparent to the attentive eye as more than they first appear Transfiguration traditionally understood as the revelation of divinity in community becomes a figure for those splendors mundane and divine that await within the read lived and loved world Bringing together medieval sources with modern lyric medievalism the book argues for the porousness of time and flesh not only through the accustomed cadences of scholarly argumentation but also through its own moments of poetic reflection In this way Augustine Cassian Bernard of Clairvaux Dante Boccaccio and the heroes of Old French narrative no more or less than their modern lyric counterparts come to light in new and newly complicated ways

The Last Englishman Byron Rogers, 2011-12-01 A biography of the English educator dictionary writer and celebrated author of *A Month in the Country* J L Carr was the most English of Englishmen headmaster of a Northamptonshire school cricket enthusiast and campaigner for the conservation of country churches But he was also the author of half a dozen utterly unique novels including his masterpiece *A Month in the Country* and a publisher of some of the most eccentric and smallest books ever printed Byron Rogers's acclaimed biography reveals an elusive quixotic and civic minded individual with an unswerving sympathy for the underdog who led his schoolchildren through the streets to hymn the beauty of the cherry trees and paved his garden path with the printing plates for his hand drawn maps and whose fiction is quite remarkably autobiographical Much more than the life of a thoroughly decent man *The Last Englishman* is a comic and touching anatomy of the best kind of Englishness Praise for *The Last Englishman* A miniature masterpiece of social history Simon Jenkins *The Times* UK A fine biography Rogers has done a wonderful job *Daily Telegraph* UK Conveying the significance of the author of Carr's *Dictionary of Extraordinary Cricketers* to anyone unfamiliar with his books or what may now fairly be called his myth was always going to be difficult Somehow Rogers has managed it D J Taylor *Sunday Times* UK A great success and more life affirming than F R Leavis's entire output *Independent on Sunday* UK
