A Pilgrim Pope Messages For The World:

A Pilgrim Pope Pope John Paul II, 1999 The most well traveled pope in the history of the Catholic Church has made apostolic journeys to every continent This book is a collection of the messages he has delivered between 1979 and 1999

Christian Ethics Non-violent Resistance Approach to Boko Haram Anthony Okechukwu Nnadi PhD STD, 2024-04-10 The book takes a practical look at the complexity of the nature of violence terrorism in Nigeria in the light of the Catholic social teaching on non violent resistance With the critical analyses of some policies strategies used to address the problem of Boko Haram terrorism in Nigeria the book explores a range of questions Does severe punishment work effectively as deterrence against possible involvement in terrorism Does applying lex talionis reduce or exacerbate recidivism What are the right mechanisms to stop terrorism violence in Nigeria This book is convinced that nothing is resolved through violence and that violence begets violence alluding that responding to terror with terror is a retaliatory method that is self defeating On the whole it has been noted that the principle or law of retaliation Lex Talionis alone cannot stop armed insurgency in Nigeria thus the book suggests non violent resistance as the best way to address terrorism and violent conflicts Non violent resistance does not mean condoning violent attacks against innocent civilians Based on the Christian ethical principles of the dignity of the human person and justice this book explicitly declares that the killing of innocent civilians is absolutely immoral The book explores the use of the term Islamic terrorism and the Islamic ethics of justice peace and nonviolence and underlines that the Islamic core moral principles in no way support terrorism While stating that terrorism is morally wrong this book states that the causes of terrorism must be addressed with justice and fairness On this basis the book insists on critically investigating the following religious extremism corruption bigotry in politics and religion the glaring sense of apathy among the political elite to the suffering of the oppressed and the mismanagement and abuse of political positions or the nation s resources for selfish interest There must be a rethink aimed at finding the best way to build an ethical society a framework for justice and peace

A Pilgrim People Gerald W Schlabach, 2019-10-28 Recent decades have seen a steady trend in Roman Catholic teaching toward a commitment to active nonviolence that could qualify the church as a peace church As a moral theologian specializing in social ethics Schlabach explores how this trend in Catholic social teaching will need to take shape if Catholics are to follow through Globalization he argues is an invitation to recognize what was always supposed to be true in Catholic ecclesiology Christ gives Christians an identity that crosses borders To become a truly catholic global peace church in which peacemaking is church wide and parish deep Catholics should recognize that they have always properly been a diaspora people with an identity that transcends tribe and nation state
