**A Place to Call Home** Dr. Tom Obondo Okoyo, 2015-11-20 A Place to Call Home is a story of refugees no community wanted to see anywhere close to them as if they were good for nothing It is an epic portrayal of a painful dilemma of thousands of homeless internally displaced persons IDPs who were victims of the highly contested and disputed presidential election The novel is a true tear jerking reflection of a botched election in December 2007 and January 2008 which culminated into a postelection violence that brutally killed almost there thousand innocent people Some were burned alive inside a church Gods territory as they called where they had taken safe haven About seven hundred thousand people were forcibly removed from their homes some took refuge at police stations while others fled to neighboring countries to remain alive Business premises vehicles and other properties worth billions of shillings were destroyed and domestic animals were stolen This spate of violence happened at a time when thousands of ethnic militias heavily armed with homemade crude weapons were chanting war slogans and singing traditional war songs everywhere in the country Loyal to their respective presidential candidates the militias roamed the streets of towns and villages making every journey perilous Enemies who got caught were beheaded and their heads were paraded or displayed on the main highways Women were seized and gang raped by the militias and got infected with the deadly HIV AIDS virus Amazingly communities turned their backs against the combined IDPs who were looking for a permanent settlement calling them foreigners invaders or land grabbers in their own country Breathing under such horrifying circumstances all IDPs drawn from various tribes resolved to live together in peace and harmony and to prove to the world that they could live with people from other communities without any problem in spite of their language and cultural barriers The idea of living together was instilled in the IDPs by VP Nyandege who emerged as the leading light in their plight and the quest for what they could call home VP Nyandege won a special place in fellow IDPs hearts and made them believe that life was worth fighting for For seven years these IDPs have been living in squalid conditions or in makeshift camps waiting to be settled as promised by the ruling elite The IDPs lived in rough and ready dwellings with no food water toilet facilities social amenities or sanitation at all They were living in a world of their own no laws rules or culture to observe The fate of these IDPs is reminiscent of the Jews when they lived in Europe

and were rejected by people in all countries after World War II and consequently had no place to call their home After seven years in isolated makeshift camps the IDPs were offered land to settle on by the Biblical Good Samaritan to prove that tribal groups once sworn enemies could live together peacefully and harmoniously And now these IDPs would like to build the countrys first utopia the same way the Israelis have transformed the desert land of Israel into another biblical Promised Land of Canaan the land of milk and honey This unfortunate event was disseminated throughout the world by the mass media

disappeared from Claire's life. Now two decades later, Claire is adrift and the Maloneys are still hoping the past can be buried under the rich Southern soil. But Roan Sullivan is about to walk back into their lives. By turns tender and sexy and heartbreaking and exuberant, *A Place to Call Home* is an enthralling journey between two hearts and a deliciously original novel from one of the most imaginative and appealing new voices in Southern fiction. As immigrants settle in new places, they are faced with endless uncertainties that prevent them from feeling that they belong. From language barriers to differing social norms to legal boundaries separating them from established residents, they are constantly navigating shifting and contradictory expectations: both to assimilate to their new culture and to honor their native one. In *A Place to Call Home*, Ernesto Castañeda offers a uniquely comparative portrait of immigrant expectations and experiences. Drawing on fourteen years of ethnographic observation and hundreds of interviews with documented and undocumented immigrants and their children, Castañeda sets out to determine how different locations can aid or disrupt the process of immigrant integration. Focusing on New York City, Paris, and Barcelona, immigration hubs in their respective countries, he compares the experiences of both Latino and North African migrants and finds that subjective understandings, local contexts, national and regional history, and religious institutions are all factors that profoundly impact the personal journey to belonging. **A Place to Call Home** Ellen Lawrence, 2015-01-01. When we think of home, we might think of living in an apartment or a house, but not everyone lives in a home like this. Some children grow up on a houseboat in a floating village. Others live in huts that are carefully crafted from branches and animal dung. And many children live in makeshift tent homes in refugee camps. In *A Place to Call Home*, young readers will learn about the many different types of structures and places that children and their families call home.
