Shining Moments John E. Sumwalt, 2004 The Bible is filled with stories of shining moments Moses face shone as he came down from the mountain with the ten commandments Jesus face changed and his clothes became dazzling white in a transfiguration witnessed by the disciples Paul was blinded by a light and heard the voice of Christ on the road to Damascus and many modern Christians have had equally life changing experiences of the Lord's power and presence In this third volume of the acclaimed Visions series 60 contributors share their authentic intensely personal accounts of holy experiences

Rosmarie Trapp of the Sound of Music family tells of a moment of assurance when the Lord visited me in a bright golden light whose golden glow brought peace to my soul Ralph Milton author of the historical novel Julian's Cell describes a visitation by his late sister We were singing together as we often did as children I don't recall ever having a memory or dream as clear and powerful as that one and it left me with a sense of joy and peace Karen Steinke recounts the warmth she felt at the moment of her baptism I looked up to see the form of Jesus with an overpowering light surrounding him Whether they relate transforming moments like visions healings or visitations by angels joyous moments like being in the presence of a loved one who has died or just the simple sense of God's presence while singing in church or sitting in a sunny meadow on a warm spring day the vignettes in Shining Moments are a testament to the indescribable comfort and peace of an encounter with the divine And because each story also illustrates a scripture passage Shining Moments is a valuable preaching resource and an excellent catalyst for small group discussion But even more this book provides inspiring and heart warming reading for personal devotion and spiritual growth Praise for other volumes in the Visions series This wonderful collection of stories reminds us of a fact our world desperately needs to know that God is alive and well and ready to be at work in our daily lives

Disappointment with God Philip Yancey, 2015-10-13 Many of us experience times when life with God seems to fall short of our expectations when we feel let down by God hurt or abandoned This is something most people don't talk about until now In this classic work of Christian integrity and spiritual investigation Philip Yancey gives us permission to look directly into our doubts and reckon

with them He uncovers the real and lasting hope that can be found in the midst of darkness and disillusion exploring three questions that Christians wonder about but rarely feel permission to voice If God is so hungry for relationship with us why does he seem so distant If God cares for us why do bad things happen If God's promises are true why do they feel so far off from personal experience With his gift for articulating and answering some of the most honest complex issues of faith Philip Yancey points you beyond doubt and hardship to a stronger wiser faith a confidence in God's deep love and a thirst to reach not just for what God gives but for who God is Included in the 25th anniversary edition is a study guide with questions about these perplexing crises of faith that the author confronts Spanish edition also available *The Bible Is a Girl's Best Friend* Sally Miller, 2007 In a fresh captivating style Sally Miller presents a new way to approach God's Word Since women value close relationships she encourages them to experience the Bible as an intimate friend as someone who gives practical advice offers loving comfort and challenges them to grow The Bible Is a Girl's Best Friend is ultimately about the love and promise found in daily connection with God Sally beautifully presents the Bible as the active way God speaks to people Through stories of friendship she reveals how God uses His Word to reach out to each reader loving her guiding her correcting her and offering her a personal relationship with Him through His Son Jesus From the strength and support God offers during trials to the assurance that He is always with them women will discover many life changing truths and experience the joy of knowing they are loved by God and by friends

Fisher, 2010-08-03 The third millennium It's a time of tremendous opportunity for the church and tremendous challenge More than ever pastors need a model for ministry that can equip them for the rigors of a restless increasingly secularized culture In the 21st Century Pastor David Fisher explores the apostle Paul's concept of ministry to offer a paradigm that is both biblical and relevant Paul's view is fleshed out with examples from Fisher's own twenty five years of pastoral experience presenting a roadmap for today's pastor that is scholarly practical dynamic and inspiring The 21st Century Pastor first addressees crucial issues of pastoral identity the significance of geography time and ecclesiology It then explores Paul's metaphors for ministry jars of clay farmers and builders servants and stewards and others to reveal an accurate portrait of an

McMinn,2017-08-22 The church and science have drifted apart over the past century Today the church is often deemed irrelevant by those who trust science and science is often deemed irrelevant by those whose primary loyalties are to the church However this book shows that the new science of virtue the field of positive psychology can serve as a bridge point between science and the church and can help renew meaningful conversation In essence positive psychology examines how ordinary people can become happier and more fulfilled Mark McMinn clarifies how positive psychology can complement Christian faith and promote happiness and personal flourishing In addition he shows how the church can help strengthen positive psychology McMinn brings the church s experience and wisdom on six virtues humility forgiveness gratitude grace hope and wisdom into conversation with intriguing scientific findings from positive psychology Each chapter includes a section addressing Christian counselors who seek to promote happiness and fulfillment in others
