Basics Fashion Design 08 Styling:

Basics Fashion Design 08: Styling Clare Buckley, Jacqueline McAssey, 2011-06-13 There are few academic texts on the subject of fashion styling and many students are unsure about what it is and who has paved the way in this specific field Basics Fashion Design 08 Styling offers an effective mix of key stylists biographies high quality images by professionals and students alike and practical advice about how to produce a photo shoot and break into the industry A stylist is responsible for choosing the look and clothing for a fashion image to communicate a fashion idea trend or theme or to advertise a fashion product This book outlines what it means to style for a catalogue or advertisement commercial styling or a magazine editorial styling and what types of skills these different fields require Styling proves that even on a limited budget with tremendous imagination and drive it is possible to create beautiful and relevant work **The Rise of the Stylist** Philip

Clarke, 2024-07-25 The Rise of the Stylist examines the social factors that contributed to the stylist becoming a key role in fashion image making The 1980s stylist is presented as a cultural intermediary and auteur as commercial compass and avant garde innovator Focusing on London from 1980 to 1990 Philip Clarke draws on oral history interviews with the young creatives who were involved in the specific subcultural scenes educational environments and new modes of publishing that informed a unique moment in British cultural life By documenting the history of the stylist in fashion and dress as well as their contribution to fields such as food photography and car manufacture this study looks beyond the style press and bridges the gap between production and promotion The Rise of the Stylist defines the specific nature of the stylist's role in relation to that of other creative occupations and locates discussion of styling within the context of postmodern society where political shifts technological developments and changing attitudes in all fields of cultural production are reflected in the manufacture and dissemination of fashion Basics Fashion Design 01: Research and Design Simon Seivewright, 2012-02-09 Research is
