A Missionary God Gave Wings Bob C Green,2015-10-01 Dr Bob Green surrendered his life to serve the Lord Jesus Christ preaching the Gospel at a very early age As a boy he had dreamed of becoming a pilot While in Bible College he realized that aviation could be a valuable tool for fulfilling his calling as a missionary preacher This book was written with thanksgiving to the Lord in heaven for making it possible to see his dream become reality The book shares many of the aviation experiences of Dr Green and some of those of his associates His sincere desire is that Christians will be challenged to delight themselves in the Lord and allow Him to make their desires a reality too for the good of others and the glory of God the Father The Christian treasury (and missionary review). ,1857 **A Wing and a Prayer** Katharine Jefferts Schori,2007-01-01 A Wing and a Prayer offers profound truths and vivid images of a more peaceful and just world This powerful book will inspire people of faith and seekers alike to make its vision real Rev Dr Katharine Henderson author of God s Troublemakers How Women of Faith Are Changing the World Katharine Jefferts Schori is a bishop on the move She pilots her plane to remote parishes around the sprawling Diocese of Nevada and shares her passionate message of reconciliation and peace As the first female primate in the 500 year history of Anglicanism she has the opportunity to speak to a far wider audience A collections of micro sermons grouped thematically around issues like social justice the deep love of God the need for interfaith understanding and the responsibility of all baptized persons to participate in lay ministry Jefferts Schori speaks from an Episcopalian perspective but also draws on Orthodox Catholic and other Protestant traditions making this a thoughtful resource for many different Christian denominations Publishers Weekly Read this book as a series of daily meditations and by the end of it you will not only know Bishop Katharine better but you will find yourself filled with a livelier hope reenergized for the ministry and mission of all of us baptized in Christ The Rev Linda Lee Clader Ph D Dean of Academic Affairs and Professor of Homiletics Church Divinity School of the Pacific The Watchman-examiner ,1920

Moses Was a Right-Wing Conservative John L. Plough,2001-03 Few characters in history have had such a profound effect on the modern world as Moses In popular film he has been portrayed by Mel Brooks Charlton Heston and recently Val Kilmer The worlds three major religions all claim him as a prophet and a founding father of their beliefs Recently the line dividing the conservative from the liberal has become a little fuzzy It is time we as a nation look to a great conservative leader of the past for guidance Moses Was a Right Wing Conservative seeks to demonstrate by analysis of the first five books of the bible what views Moses might have held on the topics that divide us today The reader will learn about Moses positions on Liberalism taxes leadership atheism sex marriage tolerance and family values These and other topics are covered in a way that polarizes the differences between the liberals and conservatives in a Non Politically Correct satirical format The reader will be educated inflamed and entertained at the same time **The Oberlin Evangelist** ,1849 **I Am a Mission on this Earth** Pope Francis,2025-07-15 *The Alamo Wing* ,1992 **Right-Wing Resurgence** Daryl Johnson,2012-09-14 In 2008

there were 149 militia groups in the United States In 2009 that number more than tripled to 512 and now there are nearly 600 In *Right Wing Resurgence* author Daryl Johnson offers a detailed account of the growth of right wing extremism and militias in the United States and the ever increasing threat they pose The author is an acknowledged expert in this area and has been an intelligence analyst working for several federal agencies for nearly 20 years The book is also a first hand insider s account of the DHS Right Wing Extremism report from the person who wrote it It is a truthful depiction of the facts circumstances and events leading up to the leak of this official intelligence assessment The leak and its aftermath have had an adverse effect on homeland security Because of its alleged mishandling of the situation the Department s reputation has declined in the intelligence and law enforcement communities and the analytical integrity of the Office of Intelligence and Analysis was undermined Most importantly the nation s security has been compromised during a critical time when a significant domestic terrorist threat is growing This book is replete with case studies and interviews with leaders which reveal their agendas how they recruit and how they operate around the country It presents a comprehensive account of an ever growing security concern at a time when this threat is only beginning to be realized and is still largely ignored in many circles
