A Private Sphere Zizi A. Papacharissi, 2013-04-23 Online technologies excite the public imagination with narratives of democratization The Internet is a political medium borne of democracy but is it democratizing Late modern democracies are characterized by civic apathy public skepticism disillusionment with politics and general disinterest in conventional political process And yet public interest in blogging online news net based activism collaborative news filtering and online networking reveal an electorate that is not disinterested but rather fatigued with political conventions of the mainstream This book examines how online digital media shape and are shaped by contemporary democracies by addressing the following issues How do online technologies remake how we function as citizens in contemporary democracies What happens to our understanding of public and private as digitalized democracies converge technologies spaces and practices How do citizens of today understand and practice their civic responsibilities and how do they compare to citizens of the past How do discourses of globalization commercialization and convergence inform audience producer citizen consumer personal political public private roles individuals must take on Are resulting political behaviors atomized or collective Is there a public sphere anymore and if not what model of civic engagement expresses current tendencies and tensions best Students and scholars of media studies political science and critical theory will find this to be a fresh engagement with some of the most important questions facing democracies today Sites of Discourse - Public and Private Spheres - Legal Culture ,2022-05-09 The present collection of essays grew out of a conference held in Dresden in December 2001 exploring the relationship between the public sphere and legal culture The conference was held in connection with the ongoing research undertaken by the Sonderforschungsbereich 537 Institutionalisation and Historical Change and in particular by the project Circulation of Legal Norms and Values in British Culture from 1688 to 1900 The conference papers include essays on the theory of the public sphere from a systematic and historical point of view by Gert Melville by Peter Uwe Hohendahl and by Jürgen Schläeger all of whom try to re evaluate and or improve upon Jürgen Habermas seminal contribution to the discussion of the emergence of modernism Alastair Mann s contribution investigates the situation in Scotland particularly censorship and the oath of allegiance Annette Pankratz focuses on the king s body as a site of the public sphere Heinz Joachim M llenbrock looks into the widespread culture of contention at the beginning of the eighteenth century and Eckhart Hellmuth considers the reform movement at the end of the century and the radical democrats insistence on the right to discuss the constitution Ian Bell who took part in the conference suggested the inclusion of part of the first chapter of his seminal study Literature and Crime in Augustan England 1991 Beth Swan Anna Christina Giovanopoulos and Christoph Houswitschka respectively analyse the ideologies of justice the interrelation between journalism and crime and the juridical evaluation of the crime of incest and its representation in public Greta Olson investigates keyholes as liminal spaces between the public and the private Juliet Wightman focuses on theatre and the bear pit Uwe B ker examines the court room and prison as public sites of discourse and

York Gothart Mix discusses the German emigrant culture in North America Theatre of the Rule of Law Stephen Humphreys, 2010-11-11 Theatre of the Rule of Law presents a sustained critique of global rule of law promotion an expansive industry at the heart of international development post conflict reconstruction and security policy today While successful in articulating and disseminating an effective global public policy rule of law promotion has largely failed in its stated objectives of raising countries out of poverty and taming violent conflict Furthermore in its execution this work deviates sharply from the rule of law as commonly conceived To explain this Stephen Humphreys draws on the history of the rule of law as a concept examples of legal export during colonial times and a spectrum of contemporary interventions by development agencies and international organisations Rule of law promotion is shown to be a kind of theatre the staging of a morality tale about the good life intended for edification and emulation but blind to its own internal contradictions **Non-contractual Liability Arising Out of Damage Caused to Another** Christian von Bar, 2009 In European law non contractual liability arising out of damage caused to another is one of the three main non contractual obligations dealt with in the Draft of a Common Frame of Reference The law of non contractual liability arising out of damage caused to another in the common law known as tort law or the law of torts but in most other jurisdictions referred to as the law of delict is the area of law which determines whether one who has suffered a damage can on that account demand reparation in money or in kind from another with whom there may be no other legal connection than the causation of damage itself Besides determining the scope and extent of responsibility for dangers of one's own or another's creation this field of law serves to protect fundamental rights in the private law domain that is to say horizontally between citizens inter se Based on pan European comparative research which annotates the work this book presents model rules on liability Explanatory comments and illustrations amplify the policy decisions involved During the drafting process comparative material from over 25 different EU jurisdictions has been taken into account The work therefore is not only a presentation of a future model for European rules to come but also provides a fairly detailed indication of the present legal situation in the Member States **Handbook of Political Theory** Gerald F Gaus, Chandran Kukathas, 2004-08-21 The Handbook of Political Theory is a latest addition to the SAGE Handbook collection As with all of our handbooks this is a definitive and benchmark publication that covers all aspects of a given subject This handbook is an essential purchase for everyone interested in Political Theory Behind the Cloud Peter Seele, Lucas Zapf, 2022-03-01 Thoughts are free but they are no longer secret Today our data is automatically stored and analyzed by algorithms behind the cloud where we no longer have control over our data Our most private and secret information is entrusted to the internet and permanently collected stacked and linked to our digital twins With and without our consent Privacy is dead as Mark Zuckerberg put it The question is How did we get there And if the actors behind the cloud know everything what is still private today and are there any personal secrets at all when the gods behind the cloud possibly know us better than our friends and family The book uses a wealth of case studies e.g. cryptocurrencies journalism

digital traces of sexual preferences to develop a typology of privacy in the history of ideas Furthermore it shows the areas of life in which big data and artificial intelligence have already made inroads This book is a translation of the original German 2nd edition *Die Rückseite der Cloud* by Peter Seele and Lucas Zapf published by Springer Verlag GmbH Germany part of Springer Nature in 2020 The translation was done with the help of artificial intelligence machine translation by the service DeepL.com A subsequent human revision was done primarily in terms of content so that the book will read stylistically differently from a conventional translation

Chinese Modernity and Socialist Feminist Theory Shaopeng Song, 2022-08-16 This book assembles translations of the work of leading critical socialist feminist Song Shaopeng presenting a concise narrative which theorizes China's political and social development through a gendered lens Providing insightful editor introductions the book explores poignant themes from the late imperial to the contemporary eras to examine the evolution of Chinese socialist feminism This includes analysis of the relationship between the party state and the women's movement the gains and losses of collectivism for women's liberation and the inadequacy of contemporary gender studies in China at addressing the ongoing influence of political economy on the lives of women in China Offering a succinct exploration of the historical and theoretical context of Song Shaopeng's writings this book will be a valuable resource for students and scholars of Chinese history and politics as well as those of Chinese feminism and intellectual history

What's Wrong With Liberalism? Maureen Ramsay, 2004-12-16 A well argued and clearly written critique of liberal political theory organized around its leading concepts very accessible for student use Professor David Beetham In this book Maureen Ramsay provides an accessible and comprehensive critique of the key concepts that underpin liberal political philosophy Each chapter tackles a different concept and analyses the contribution of representative thinkers in seventeenth and eighteenth century liberal thought and contemporary developments and modifications to classical liberalism The purpose of each chapter is to evaluate the concepts and theories central to the liberal tradition from a variety of critical perspectives in order to expose the empirical theoretical practical and moral deficiencies at the heart of liberal thought The arguments presented here challenge the validity of liberal political ideas values institutions and policies and demonstrate the bankruptcy of liberalism in theory and practice This book will be essential reading for students of politics government and moral and political philosophy Maureen Ramsay is Senior Lecturer in Political Theory at the University of Leeds

Public and Private Spaces of the City Ali Madanipour, 2003-09-02 The relationship between public and private spheres is one of the key concerns of the modern society This book investigates this relationship especially as manifested in the urban space with

its social and psychological significance Through theoretical and historical examination it explores how and why the space of human societies is subdivided into public and private sections It starts with the private interior space of the mind and moves step by step through the body home neighborhood and the city outwards to the most public impersonal spaces exploring the nature of each realm and their complex interdependent relationships A stimulating and thought provoking book for any architect architectural historian urban planner or designer

A Private Sphere A Private Sphere: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
