A Quest For Godliness The Puritan Vision Of The Christian Life:

A Quest for Godliness: The Puritan Vision of the Christian Life (Repackage) J. I. Packer, 2025-09-16 A Rich Vision for Christian Living from Great Puritan Leaders A Quest for Godliness explores the depth and breadth of Puritan spiritual life Drawing on a lifetime of study renowned evangelical theologian and church leader J I Packer surveys the lives and teachings of great Puritan leaders such as John Owen Richard Baxter and Jonathan Edwards He examines the Puritan view of the Bible spiritual gifts the Sabbath worship social action and the family The Puritans faith Packer argues stands in marked contrast with the superficiality of modern western Christianity In a time of failing vision and decaying values this powerful portrait of the Puritans is a beacon of hope that calls Christians to radical commitment and action both of which are desperately needed today Beautifully written A Quest for Godliness is a moving and challenging exploration of Puritan life and thought Classic Work from J I Packer Theologian and author of several books including Knowing God Keep in Step with the Spirit and God Has Spoken Timeless Puritan Teaching for Modern Believers A descriptive survey of the history of the Puritans from leaders including John Owen Richard Baxter and Jonathan Edwards Ideal for Pastors Students and Lay People Essential lessons on evangelism preaching Christian living and more *Puritanism and the Pursuit of Happiness* S. Bryn Roberts, 2015 Reveals a much neglected strand of puritan theology which emphasised the importance of inner happiness and personal piety *The Reformed and Celibate Pastor* Seth D. Osborne, 2021-12-06 Richard Baxter 1615 1691 was arguably the greatest English Puritan of the seventeenth century He is well known for his ministerial manual The Reformed Pastor in which he expressed the unusual conviction that parish ministers were better off unmarried And yet Baxter seemed to contradict himself by marrying one of his parishioners Margaret Charlton Though Baxter claimed to be happily married he continued to champion celibacy for the rest of his life This book explores Baxter s argument for clerical celibacy by placing it in the context of his life and the turbulent events of seventeenth century England His viewpoint was shaped by several factors including the Puritan literature he read the context of his parish ministry his burdensome model of soul care and the formative life experiences shaping his theology and perspective These factors not only explain why Baxter became the only Puritan to champion clerical celibacy but also why he continued to do so even after marrying *The Puritan Imagination* Todd D. Baucum, 2022-07-29 This book seeks to add a needed introduction to a way of meditation used among early modern English Protestants influenced by Bishop Joseph Hall Furthermore the major role that Hall had in his *Arte of Divine Mediation* on late seventeenth century Protestant spirituality went beyond the practice of meditation and established a positive claim on the role of the imagination in shaping souls well into the modern period Within this context the questions related to ancient understandings of faith and the interrelationship of divine revelation are discussed with fresh insights for our own times If a revival of interest emerges again in Hall s work it would be a compelling and fresh impetus to reclaim the broken imagination evident in many parts of the Western Church **Puritan Reformed Theology** Joel R. Federalism and the Westminster Tradition Mark W. Karlberg, 2006-10-15

More than any other theological tradition Reformed federalism has recognized the importance of the biblical teaching on the covenants in its system of doctrine This tradition came to mature confessional status in the writing of the Westminster Confession of Faith and Catechisms The place of the Westminster tradition within the stream of Christian history and theology is remarkable indeed Westminster not only gained recognition as the epitome of Calvinist teaching at the close of the Protestant Reformation the middle of the seventeenth century it also earned the reputation for precision and comprehensiveness in doctrinal formulation It became the measure by which biblical interpreters defended their systems of doctrine either in agreement or disagreement with the theology of the Westminster divines These writings are the climax of three decades of research and study and they appear as the third in the series of collections published by Wipf and Stock beginning with *Covenant Theology in Reformed Perspective* followed by *Gospel Grace The Modern day Controversy* The critical teaching in dispute in each of these studies is the classic Protestant antithesis between the Law and the Gospel what serves as the basis for the Reformed doctrine of the twofold covenants the Covenant of Works and the Covenant of Grace Protestant Reformed Orthodoxy now stands at the crossroads the plight of Westminster Seminary East and West is merely illustrative of the depth and the intensity of the contemporary theological dispute one impacting the future of Protestant evangelicalism as a whole The battle is between historic Reformed Protestantism and modern day revisionism of a radical sort The rapid rise of postmodernism or nonfoundationalism is indicative of the rapidly changing mood and posture in evangelical biblical scholarship at the opening of this third millennium of Christian interpretation Without question the modern church continues to lose her biblical moorings Forsaking the basic theological convictions of the Protestant Reformation it has attempted to subject the Word of God to vigorous academic i e scientific investigation the return of rationalism In doing so it has abandoned the Scripture principle which recognizes the uniquely authoritative and inerrant character of the Word of God Lost in the shuffle is the uncompromising proclamation of the one true Gospel the Gospel of justification by grace through faith alone Lost also is the doctrine of the perspicuity of Scripture Nothing less than a new Reformation in our day will halt travel down the road leading to destruction
