A Rage To Live Modern Library:

A Rage to Live Mary S. Lovell, 2012-05-28 An extraordinary biography New York Times Book Review of a brilliant pair of adventurers Their marriage was both improbable and inevitable Isabel Arundell was a schoolgirl the scion of England's most distinguished Catholic family When she first saw him while walking at a seaside resort Richard Burton had already made his mark as a linguist he was fluent in twenty nine languages scholar soldier and explorer at once a symbol of Victorian England's vision of empire and an avowed rebel against its mores When she turned and saw him staring after her she decided that she would marry him By their next meeting Burton had become the first infidel to infiltrate Mecca as one of the faithful and in an expedition to discover the source of the Nile would soon be the first white man to see Lake Tanganyika After being married the Burtons traveled and experienced the world from diplomatic postings in Brazil and Africa to hair raising adventures in the Syrian desert In later life Richard courted further controversy as a self proclaimed erotologist and the translator of The Kama Sutra Based on previously unavailable archives Mary Lovell has written a compelling joint biography that sets Isabel in her proper place as Burton's equal in daring and endurance a fascinating figure in her own right **The Genteel John**

O'Hara Pamela Carol Mac Arthur, 2009 The writer John O Hara 1905 1970 came from Pottsville in Pennsylvania He put his home town and the surrounding vicinity under a microscope to produce an account of The Anthracite Region that rivals Edith Wharton's descriptions of New York and Sinclair Lewis's anatomy of Sauk Centre With the discerning eye of a local resident O Hara recreated this coal rich region and its people so well that his novelettes novellas novels plays and short stories give a true record of his Pennsylvania Protectorate in the latter part of the nineteenth century and the first half of the twentieth century In order to reveal the ethnographical geographical and historical authenticity of the O Hara Canon this book examines his writings in the context of Pottsville and the borough of Tamaqua as well as the nearby towns and villages The author also investigates both O Hara's genteel upbringing and his gangster stratum The book explores the many dimensions of O Hara's life from the time of his birth until his escape to New York City in 1928 New sources such as unpublished letters and interviews with O Hara's family friends and enemies provide important insights into O Hara as well as into Pottsville and the surrounding region

Dark Mirror Donald Brackett, 2008-09-30 Singer songwriters lyrical reflections have a magical way of expressing our own sentiments and feelings Almost all of the singer songwriters discussed here including Bob Dylan John Lennon Tom Waits Amy Winehouse The White Stripes and many more sing in an exotic and raw vocal style which one would not traditionally call reassuring and yet their profoundly unique voices appear to be the only ones capable of conveying their unique messages One of the key elements being studied in this book is the fact that singer songwriters often suffer from a deep sense of loneliness perhaps associated with a sense of being the only one who could adequately sing and perform what they compose Often even those who write within a famed partnership still compose for that other voice exclusively much to their chagrin The irony here is that it is this very tendency towards self absorption that allows these artists to speak

so eloquently for all the rest of us Utilizing firsthand musical reflections on the nature of the singer songwriter psychology and its consequences on art and private life *Dark Mirror* explores the intricate nature of isolation and self absorption in the singer songwriter s creative work Lyrical reflections have a magical way of expressing our own sentiments and feelings Almost all of the singer songwriters discussed in this volume including Bob Dylan John Lennon Tom Waits Amy Winehouse The White Stripes and many more sing in an exotic and raw vocal style which one would not traditionally call reassuring and yet their voices appear to be the only ones capable of conveying their own unique messages One of the key elements being studied in this book is the fact that singer songwriters often suffer from a deep sense of loneliness perhaps associated with a sense of being the only one who could adequately sing and perform what they compose Often even those who write within a famed partnership still compose for that other voice exclusively much to their chagrin The irony here is that it is this very tendency towards self absorption that allows these artists to speak so eloquently for all the rest of us This work is divided into three principal sections part one delves into the singer songwriters who function primarily as solo artists part two explores singer songwriters who function primarily as part of a team and who wouldn t write quite the same material for a different partner and part three surveys those who function as members of a larger thematic community or stylistic tribe within which they share certain creative sentiments Utilizing firsthand musical reflections on the nature of the singer songwriter psychology and its consequences on art and private life *Dark Mirror* explores the intricate nature of isolation and self absorption within the singer songwriter s creative work *Improbable Women* William Woods Cotterman,2013-10-22 Zenobia was the third century Syrian queen who rebelled against Roman rule Before Emperor Aurelian prevailed against her forces she had seized almost one third of the Roman Empire Today her legend attracts thousands of visitors to her capital Palmyra one of the great ruined cities of the ancient world In the nineteenth and early twentieth centuries during the time of Ottoman rule travel to the Middle East was almost impossible for Westerners That did not stop five daring women from abandoning their conventional lives and venturing into the heart of this inhospitable region *Improbable Women* explores the lives of Hester Stanhope Jane Digby Isabel Burton Gertrude Bell and Freya Stark narrating the story of each woman s pilgrimage to Palmyra to pay homage to the warrior queen Although the women lived in different time periods ranging from the eighteenth century to the mid twentieth century they all had middle to upper class British backgrounds and overcame great societal pressures to pursue their independence Cotterman situates their lives against a backdrop of the Middle Eastern history that was the setting for their adventures Divided into six sections one devoted to Zenobia and one on each of the five women *Improbable Women* is a fascinating glimpse into the experiences and characters of these intelligent open minded and free spirited explorers The Publishers' Trade List Annual ,1982 *The Reader's Adviser* ,1968 John O'Hara Charles Child Walcutt,1969 Examines the basic elements of O Hara s novels and short stories to reveal the reasons for his sustained popularity **Reader's Adviser and Bookman's Manual** ,1960 *The Modern Library Collection of*
