Side to Side A Pocket Full of Rye Excerpt A Murder is Announced is a work of detective fiction by Agatha Christie and first published in the UK by the Collins Crime Club in June 1950 and in the US by Dodd Mead and Company in the same month. The UK edition retailed at eight shillings and sixpence 8/6 and the US edition at 2/50. The novel features her detective Miss Marple and is considered a crime novel classic. The book was heavily promoted upon publication in 1950 as being Christie's fiftieth book although in truth this figure could only be arrived at by counting in both UK and US short story collections. A strange notice appears in the morning paper of a perfectly ordinary small English village Chipping Cleghorn. A murder is announced and will take place on Friday October 29th at Little Paddocks at 6.30 p.m. Friends accept this the only intimation. This apparently comes as a great surprise to Letitia Blacklock the owner of Little Paddocks as she has no idea what the notice means she didn't place it and none of her companions knows more than she. Miss Blacklock decides to take it in her stride and prepares herself to have guests that evening. Naturally the villagers are intrigued by this notice and several of them appear on the doorstep with awkward reasons but a definite interest. As the clock strikes 6.30 the lights go out and a door swings open revealing a man with a blinding torch. In a heavily accented voice the man demands they 'Stick 'em up'. Most of the guests do so believing it to be part of a game. The game ends when

[The Detective Novels of Agatha Christie](#) James Zembo, 2016-03-15. The most popular mystery writer of all time concocted a rich recipe of intrigue, character and setting. All of Agatha Christie's 66 detective novels are covered here in great detail. Each chapter begins with general comments on a novel's geographical and historical setting, identifying current events, fashions, fads and popular interests that relate to the story. A concise plot summary and comprehensive character listing follow and each novel is discussed within Christie's overall body of work with an emphasis on the development of themes, narrative technique and characters over the course of her prolific career. An appendix translates Poirot's French and defines the British idiomatic words and phrases that give Christie's novels so much of their flavor.
