*A Period of Juvenile Prosperity* Mike Brodie, 2012 Photographs taken by Mike Brodie between 2006 and 2009 in the United States **A Period of Juvenile Prosperity**, 2012-01-01 **Mike Brodie - a Period of Juvenile Prosperity** Mike Brodie, 2014 *A Period of Juvenile Prosperity*, 2012-01-01 *A Period of Juvenile Prosperity*, 2012-01-01 **Michael Brodie: Failing**, 2024-10-15 Brodie's decade long record of his transient American life brimming with poignant stories of those he encountered along the way Mike Brodie's first monograph *A Period of Juvenile Prosperity* touched down more than decade ago depicting his fellow rail riders and drifters in a rebellious and wildfire pursuit of adventure and freedom Brodie leapt into the life of picture making as if he was the first to do it Danny Lyon wrote about the book in *Aperture* Next came *Tones of Dirt and Bone* a collection of earlier SX 70 pictures Brodie made when photography first led him to hopping freights when he was known as The Polaroid Kidd And then Brodie seemed to disappear from the art world as suddenly and mysteriously as he'd first appeared Maybe his vanishing was another myth Maybe it was just a necessary retreat I was divorcing myself from all that he says I was growing up I was pursuing this other life If *A Period of Juvenile Prosperity* was a cinematic dream *Failing* is the awakening and the reckoning a raw wounded and searingly honest photographic diary of a decade marked by love and heartbreak loss and grief Here is the flip side of the American dream seen from within here is bearing close witness to the brutal chaos of addiction and death here are front seat encounters with hitchhikers and kindred wanderers on society's edges sustained by the ragtag community of the road *Failing* often exists in darkness but is tuned to grace Brodie's eye stays forever open to the strange and fleeting beauty that exists in forgotten places the open country and the lost horizons that sweep past dust spattered windows in a spectral blur Michael Brodie born 1985 is the author of *A Period of Juvenile Prosperity* 2013 and *Tones of Dirt and Bone* 2015 He lives with his girlfriend in Biloxi Mississippi where the railroad is never far just hidden in the trees from view Unseen it rattles the windows and floors of their apartment every time a train passes through **Understanding Photobooks** Jorg Colberg, 2016-11-10 *Understanding Photobooks* is a user friendly guide to engaging with the photographic book or as it is widely known the photobook Despite its importance as a central medium in which many photographers showcase their work today there is surprisingly little information on the mechanics of the photobook what exactly it does and how it does it Written for makers and artists this book will help you develop a better understanding of the images concept sequence design and production of the photobook With an awareness of the connections between these elements you'll be able to evaluate photobooks more clearly and easily ultimately allowing for a deeper and more rewarding experience of the work *Marvel Comics' Civil War and the Age of Terror* Kevin Michael Scott, 2015-09-03 *Marvel Comics* has an established tradition of addressing relevant real life issues facing the American public With the publication of *Civil War* 2006 2007 a seven issue crossover storyline spanning the *Marvel* universe they focused on contemporary anxieties such as terrorism and threats to privacy and other civil liberties This collection of new
