Workaholic's Rehab Trevor Hawkins,2015-12-28 Admittedly the most common problem in todays workforce is too many are too lazy to move their butts and work In some respects being workaholic is an admirable trait But as with anything in life even the good becomes a negative when uncontrolled Although it s a admirable to take responsibility and work real hard to provide well for the family We still need to take it in moderation Too much and it will minimize the quality of life relationships and health because every waking moment is just spent working It is the goal of this book to help balance your work life and ensure you don t go overboard It s understandable and commendable to take care of business but as long as you are not in absolute control as much as drug addicts are not really in control of their addictions to their vices cigarettes drugs alcohol or spending every waking moment at work It is a problem Overlooked underestimated but a problem nonetheless

Engineering & Raising Children Who Succeed! Suzzie Santos,2015-12-16 It has been shown many times over in studies that parents involved in their kids education and training have a positive influence on their child success and development It s reflected in better grades and test scores solid participation higher college graduation rates superior mindsets and behaviors in the child and the child being more likely to join positive extra curricular activities Send the message early in your child education that your household is involved and active in their learning and development If you re too tolerant or expect too little your child could find himself herself being a mess or unmotivated If we re too inflexible and rigorous it could cause undue tension or cause your child to feel unable to deliver on your expectations So what s the best way to bring forth a favorable learning environment for your child at home Here is a preview of what you ll soon learn The Positive Influence Of Being Involved In Your Child s Education Raising Children To Succeed How Do We Define Success What Don t Children Need Expect Only The Best From Your Child What They Do Need Boundaries Routines Rules Responsibility Safeguard Your Child s Emotional Wellbeing Creating Your Child s Healthy Sense Of Self Esteem Ways To Develop Self Esteem In Your Child Get Involved In Your Child Activities Hobbies And School The Importance Of Crystal Clear Rules For Your Child Successful Two Way Communications With Your Children Educating Social Skills The Legacy Of Books The Power Of Role Models and much much more
