

CHAPTER 1

The Flame of Tar Valon

The Wheel of Time turns, and Ages come and pass leaving memories that become legend, then fade to myth, and are long forgot when that Age comes again. In one Age, called the Third Age by some, an Age yet to come, an Age long past, a wind rose in the Mountains of Dhoom. The wind was not the beginning. There are neither beginnings nor endings to the turning of the Wheel of Time. But it was a beginning.

Born among black, knife-edged peaks, where death roamed the high passes yet hid from things still more dangerous, the wind blew south across the tangled forest of the Great Blight, a forest tainted and twisted by the touch of the Dark One. The sickly sweet smell of corruption faded by the time the wind crossed that invisible line men called the border of Shienar, where spring flowers

Content, and Social Reading Are Changing the Way We Read Joe Wikert,2012-09-11 NOTE FROM THE AUTHOR Over the last 20 years I've been an author a publisher and most importantly a frustrated member of the publishing industry My frustrations stem from the glacial pace of change in publishing as well as a lack of true risk taking at the highest ranks in our industry Several years ago I decided to start thinking out loud about where the industry should be heading and posted those thoughts on my Publishing 2020 blog Those posts are freely accessible by anyone with a web browser but after 7 years they're not well organized for a first time visitor That's where Hyperink comes into play I was recently approached by Hyperink to see if I'd be willing to let them curate my posts into ebook format with individual parts set up for each major topic area I didn't have the time to do this and since I'm a big fan of experimentation I accepted their offer to do the job for me What you're reading right now is the results of their efforts I hope you enjoy it and one or two of the pieces get your creative juices flowing Joe Wikert EXCERPT FROM THE BOOK Rethinking Samples March 26 2012 I'm bored with e book samples I feel like I'm collecting a bunch and then forgetting about most of them I'm pretty sure I'm not alone and I'm even more certain this adds up to a ton of missed sales opportunities Although this would be impossible to prove my gut tells me the revenue missed by not converting samples into sales is a much larger figure than the revenue lost to piracy And yet the publishing industry spends a small fortune every year in DRM but treats samples as an afterthought Think about it Someone who pulls down a sample is already interested in your product They're asking you to win them over with the material you provide Far too often though that material is nothing more than the front matter and a few pages of the first chapter Some of the samples I've downloaded don't even go past the front matter I'm looking for something more Let's start with the index Would it really be that hard to add the index to e book samples No And yet I've never seen a sample with the index included Sure many of these books have indexes that can be viewed separately on the e book's catalog page but why not include them in the sample Give me a sense of what amount of coverage I can expect on every topic right there in the sample How about taking it up a notch

Give me the first X pages of the full content include the entire index at the end and in between include the rest of the book but have every other word or two X'd out That way I can flip through the entire book and get a better sense of how extensively each topic is covered By the way if the entire book is included like this then the index can include links back to the pages they reference Next up why do I have to search and retrieve samples Why can't they be configured to automatically come to me After a while a retailer should be able to figure out a customer's interests So why not let that customer opt in to auto sample delivery of e books that match their interests I love baseball Send me the samples of every new baseball book that comes out I've got plenty of memory available in my e reader and I can delete any samples I don't want I've also mentioned this before but it's worth saying again How about letting me subscribe to samples from specific authors Again it would be an opt in program but I wonder how many interesting books I've missed because I didn't discover the sample Finally this problem doesn't appear till after the sample is converted into a sale but why can't the newly downloaded e book open up to where I left off in the sample Seriously this has got to be one of the easiest annoyances to fix so why hasn't anyone taken the time to do so Buy the book to read more

CHAPTER OUTLINE Introduction Introduction and much more **Retired, out of print , The Most Efficient Way to Publish an eBook** Peter M. Buffington, 2014-06-01 Peter Buffington took his personal experience with self publishing and freely shares his hard won wisdom and best advice for those looking to do likewise This is a great guide for those starting out in self publishing by someone who is successful in this genre and with the process Shelia F English CEO Author Producer Circle of Seven Productions The Most Efficient Way to Publish an eBook is a fantastic and concise guide for anyone considering self publishing Peter's experiences as a best selling aviation author and eBook conversion consultant are shared in this book and I love his bite sized and easy to follow approach Paul Cameron CEO Booktrack *Using Technology to Enhance Reading* Timothy V. Rasinski, Kristine E. Pytash, 2015-04-02 Enhance students reading abilities with technology Discover how technological resources can improve the effectiveness and breadth of reading instruction to build student knowledge Read real world accounts from literacy experts and learn how their methods can be adapted for your classroom Explore how to foster improvement in student learning using a variety of tools including interactive whiteboards tablets and social media applications **ePublishing with InDesign CS6** Pariah S. Burke, 2012-11-07 Here's the designer's guide to creating excellent e books with InDesign Creative professionals are designing more and more e books and e zines as digital publishing increasingly gains market share This book pulls together a wide range of essential information to help them maximize the versatility of InDesign for e publishing If you need to know how to build, deploy and manage digital publications using InDesign here's your guide to the process from understanding the platforms and devices and how best to design for them to creating media rich content for multiple formats using a variety of technologies Designers are seeking to sharpen their skills to compete in today's e publishing market and this book is packed with necessary information about creating and adapting content for e publication Explains how to plan a new digital

publication convert a print publication to digital add multimedia and interactivity and publish and distribute the finished product Covers platforms devices and formats creating media rich content designing for different devices and managing digital publications Examines Adobe s Digital Publishing System CSS HTML5 and other commercial vehicles available for e publishing on multiple platforms including iPad Kindle NOOK and other tablets and e readers ePublishing with InDesign is a valuable tool for designers seeking to boost their skills and create cutting edge e publications *The Bloomsbury Handbook of Electronic Literature* Joseph Tabbi,2017-11-30 Winner of the 2017 N Katherine Hayles Award for Criticism of Electronic Literature A CHOICE Outstanding Academic Title 2018 The digital age has had a profound impact on literary culture with new technologies opening up opportunities for new forms of literary art from hyperfiction to multi media poetry and narrative driven games Bringing together leading scholars and artists from across the world *The Bloomsbury Handbook of Electronic Literature* is the first authoritative reference handbook to the field Crossing disciplinary boundaries this book explores the foundational theories of the field contemporary artistic practices debates and controversies surrounding such key concepts as canonicity world systems narrative and the digital humanities and historical developments and new media contexts of contemporary electronic literature Including guides to major publications in the field *The Bloomsbury Handbook of Electronic Literature* is an essential resource for scholars of contemporary culture in the digital era **The eBook Revolution** Kate Sheehan,2013-01-03 The book ecosystem is radically changing and libraries must change with it This book tackles the controversial discussion about eBooks and explores librarian driven solutions and visions for the future of libraries in the 21st century *The eBook Revolution A Primer for Librarians on the Front Lines* is exactly what its title promises an essential resource for librarians facing the formidable task of coordinating the library wide transition to eBooks and fielding questions from patrons about eBooks on a daily basis After an introduction that covers the basics of eBooks and current eBook technology the author puts things into perspective documenting the changes that have occurred over the past decade She also delves into important eBook issues identifying librarian driven solutions and providing glimpses of what libraries in the near future will likely be like The book examines perennially critical issues such as accessibility resource sharing and the digital divide within the context of eBook technology and provides a clear framework for discussing eBooks thereby enabling readers to make informed decisions regarding their own organizations

Ignite the flame of optimism with Crafted by is motivational masterpiece, **Amazon Ereader S** . In a downloadable PDF format (*), this ebook is a beacon of encouragement. Download now and let the words propel you towards a brighter, more motivated tomorrow.
