The Lion Led the Way Dwight Hutchison, 2021-07-07 Was there a meaningful stellar sign over Bethlehem What did it look like to someone looking up at the night sky Did wise men really come from the East seeking Israel's Messiah sometime after the birth of Jesus The biblical account of the wise men and the star that announced the coming of the Messiah of Israel has inspired and puzzled people for two millennia Important aspects of Babylonian astronomy seem to be involved in understanding the star's appearing But in addition *The Lion Led the Way* also explores the men and events from a profoundly Jewish perspective The traditional Jewish names of stars and planets Jewish symbols as well as Jewish dates all seem to be keys to unlocking the mystery of the famous star The star of Bethlehem was not the brightest of the heavenly lights nor was it the most spectacular starry manifestation of all time However it was part of the most meaningful set of celestial events in human history The God of Israel is surprising His ways are not our ways his thoughts are not our thoughts The star gives us a concrete example of God's intervention in the universe Book website www.starofbethlehem.info
