and sustained to reflect new and shifting identities of both students and educators like the expanding ability cultural gender linguistic race religion and socioeconomic formations and their intersections as well as tensions within predominantly white institutions Moving from Trendy to Transformative Social Emotional Learning presents a diverse collection of chapters that discuss authentic and contextualized equity and justice models that are focused on the possibilities of transformative SEL programming The book's primary focus is on innovative and creative methodologies and practices that aspiring and practicing educators can use right away Because the editors and contributors are former or current PreK 12 practitioners and or educational scholars this book is written for a broad educational audience Directed to both preservice and practicing teachers across PreK 12 grade levels school types and geographic regions looking to improve their practice the text provides entry points for transforming the SEL landscape in favor of liberatory justice based and equitable practices Additionally this book is ideal for teacher and administrator preparation programs as well as PreK 12 professional development because it guides readers through theoretical and empirical discussions punctuated by hands on applications that enable real time application and concludes with interactive features including case studies extension activities and discussion prompts Specific topics include enacting culturally relevant SEL addressing youth mental health through cultivating authentic belonging and mindfulness in classrooms equitable SEL curricular and pedagogical practices developing adult SEL culturally grounded identity development ensuring safe environments for building identity and relationships and SEL in teacher education and mentorship Perfect for courses such as Introduction to Educating For Equity And Social Justice Introduction to Cultivating Culturally Responsive Classrooms Foundations of Classroom Management Introduction to Diversity Equity and Inclusion in Schools Principles of Professional Collaboration In Education Introduction To School Improvement Introduction to Teacher Leadership And School Improvement Introduction to Curriculum Instruction and Assessment Principles of Building Classroom Communities Principles of Teaching Diverse Learners Principles of Youth Voices in Education
