*Who We Are* TJ. Klune, 2019 Bear Otter and the Kid survived last summer with their hearts and souls intact They've moved into the Green Monstrosity and Bear is finally able to admit his love for the man who saved him from himself But that's not the end of their story How could it be The boys find that life doesn't stop just because they got their happily ever after There's still the custody battle for the Kid The return of Otter's parents A first trip to a gay bar The Kid goes to therapy and Mrs Paquin decides that Bigfoot is real Anna and Creed do well whatever it is Anna and Creed do There are newfound jealousies the return of old enemies bad poetry and misanthropic seagulls And through it all Bear struggles to understand his mother's abandonment of him and his brother only to delve deeper into their shared past What he finds there will alter their lives forever and help him realize what it'll take to become who they're supposed to be Family is not always defined by blood It's defined by those who make us whole those who make us who we are **Bear, Otter, and the Kid** TJ Klune, 2015-11-26

Three years ago Bear McKenna's mother took off for parts unknown with her new boyfriend leaving Bear to raise his six-year-old brother Tyson aka the Kid Somehow they've muddled through but since he's totally devoted to the Kid Bear isn't actually doing much living with a few exceptions he's retreated from the world and he's mostly okay with that Until Otter comes home Otter is Bear's best friend's older brother and as they've done for their whole lives Bear and Otter crash and collide in ways neither expect This time though there's nowhere to run from the depth of emotion between them Bear still believes his place is as the Kid's guardian but he can't help thinking there could be something more for him in the world something or someone

*The Long and Winding Road* TJ Klune, 2019 Family is not always defined by blood It's defined by those who make us whole those who make us who we are And here at the end Bear and Otter will be tested like they've never been before There's a knock at the door from a little girl who has nowhere else to go There's a phone ringing bringing news they do not expect There's a brother returning home after learning how to stand on his own As these moments converge all of their lives will change forever Beginning in *Bear Otter and the Kid* and continuing in *Who We Are* and *The Art of Breathing* TJ Klune has told a saga of family and brotherhood of love and sacrifice In this final chapter the events of the past pave the long and winding road toward a future no one could have imagined **Who We are : Sequel to Bear, Otter and the Kid** ,2012
