

Step 7

Mascara

Always wear mascara because even the most lovely eyes need defined lashes. Thickening mascara gives natural lashes a defined look, and it's ideal if you have a sparse lash line. Be aware that the advanced formula will smudge during sleep. Sleeping and awakening mascara "breaks" and smears is a great thing if you want a "just-woke-up" look, or if your mascara tends to smudge.

When applying mascara, hold the wand vertically parallel to the floor and brush from the base of the lashes to the tips. Roll the wand to coat all segments of the lashes and push through. Repeat application to lower lashes.

If you choose to curl the lashes, do so before applying mascara. Curling lashes after applying mascara can break the lashes.

The ideal mascara makes the most impact. Remove it easily for a softer look.

Step 8

Blush

Always add a natural shade of blush to the apples of cheeks. Blush up toward the hairline, down toward the under-lip area.

For long-lasting results, have a range of blushing shades to try.

For an extra glow, first, a shimmer powder on the cheekbones with a fine blusher brush, or use a shimmery blusher applied with your fingers.

Always blot off excess powder blush from your skin with a soft fabric applicator. If it seems too light, use only the light blusher shade for extra coverage and wash away.

The range of colors that is a good option for the skin.

To add a warm cast to skin, use a blusher on areas where the sun normally hits the face—cheeks, forehead, nose, and chin.

Step 9

Lipstick

Start with clean, smooth lips.

Several lipstick shades and about four coats can be applied evenly from the inner (dark) lip toward the outer (lighter) colors, which require greater application.

For a natural look of color that is a gentle wash of color, use a shade of shade. The more blushing shade will create more of a bright, warm, and soft look.

For a dramatic look, choose light to medium blushing shades or dark shades for a dramatic, long-lasting effect.

Step 10

Lip Liner

To achieve natural-looking definition and to bring color from blushing lips toward a lip liner, after applying lipstick, draw a line of color and blend over lipstick.

To create a natural look choose blushing, light and dark lip liner shades applying color.
