The British Television Pilot Episodes Research Guide 1936-2015 Christopher Perry, 2015-12 A new idea can become an expensive flop for TV executives So from the earliest days of television the concept of a pilot episode seemed like a good idea Trying out new actors new situations and new concepts before making a series was good economical sense It was also tax deductible Sometimes these pilots were shown on television sometimes they were so awful they were hidden from sight in archives and sometimes they were excellent one offs but a series seemed elusive and never materialised Chris Perry has always been fascinated by the pilot episode So many pilots are made annually but never seen by audiences Only a handful appear on screen It's a hidden world of comedy variety drama and factual programming This volume attempts to lift the lid on the world of the TV pilot by revealing the many transmitted and untransmitted episodes made through the decades

Maven: the Definitive Guide Brian R. Jackson, Sonatype Company, 2014-08-22 You've worked on many problems that were a complete mess every part of the project had its own build system that needed to be reverse engineered before you could understand it There wasn't any common repository for information about the state of the product And everyone seemed to be working by his or her own rules and conventions Sound familiar It's time to escape Maven The Definitive Guide teaches you how to bring order to your development projects It enables you to establish uniform build processes standard systems for reporting on project status and to bring unruly projects under control This edition has been updated to include associated technologies

such as Issue Trackers Repository Managers and Component Lifecycle tools all of which are an important component of any development infrastructure The landscape of builds has changed over the past several years and this book will guide users toward best practices for larger build systems **The One-in-a-Million Baby Name Book** Jennifer

Moss, Babynames.com, 2008-07-01 From one of the top parenting websites a comprehensive naming guide featuring the unique Babynames.com popularity ratings Forget those traditional lists of names and their meanings in guiding readers step by step through the naming process as well as the seven things to consider this book will help parents decide upon a name perfectly suited to their child and family The only baby name book to draw upon the opinions of 1.2 million parents each listing features a popularity rating derived from website feedback as well as the top personality traits associated with the name Readers can also browse lists of names organized in unique ways such as names for sports fans or fiction lovers and names to be avoided **Exploring Osaka** David M. Dunfield, 1993 A comprehensive English language guide to the city of
