Book of Shadows: Blair Witch 2 Joe Berlinger, 2000 More than a year after three documentary filmmakers mysteriously disappeared in the Black Hills of Burkittsville Maryland Blair County has become a hotbed for crazed fans of 1999 s marketing massacre The Blair Witch Project Cemeteries are raided souvenirs are sold and the locals are annoyed and not just in the real world because this is also the backdrop for Book of Shadows Blair Witch 2 Book of Shadows , 2001 A group of students decide to try to find out what really happened to the original three filmmakers they set up base in an abandoned building but soon start to experience strange hallucinations **SPIN** , 2001-04 From the concert stage to the dressing room from the recording studio to the digital realm SPIN surveys the modern musical landscape and the culture around it with authoritative reporting provocative interviews and a discerning critical ear With dynamic photography bold graphic design and informed irreverence the pages of SPIN pulsate with the energy of today s most innovative sounds Whether covering what s new or what s next SPIN is your monthly VIP pass to all that rocks *Found Footage Horror Films* Alexandra Heller-Nicholas, 2014-05-08 As the horror subgenre du jour found footage horror s amateur filmmaking look has made it available to a range of budgets Surviving by adapting to technological and cultural shifts and popular trends found footage horror is a successful and surprisingly complex experiment in blurring the lines between quotidian reality and horror s dark and tantalizing fantasies Found Footage Horror Films explores the subgenre s stylistic historical and thematic development It examines the diverse prehistory beyond Man Bites Dog 1992 and Cannibal Holocaust 1980 paying attention to the safety films of the 1960s the snuff fictions of the 1970s and to television reality horror hoaxes and mockumentaries during the 1980s and 1990s in particular It underscores the importance of The Blair Witch Project 1999 and Paranormal Activity 2007 and considers YouTube s popular rise in sparking the subgenre s recent renaissance **The Forest and the EcoGothic** Elizabeth Parker, 2020-02-13 This book offers the first full length study on the pervasive archetype of The Gothic Forest in Western culture The idea of the forest as deep dark and dangerous has an extensive history and continues to resonate throughout contemporary popular culture The Forest and the EcoGothic examines both why we fear the forest and how exactly these fears manifest in our stories It draws on and furthers the nascent field of the ecoGothic which seeks to explore the intersections between ecocriticism and Gothic studies In the age of the Anthropocene this work importantly interrogates our relationship to and understandings of the more than human world This work introduces the trope of the Gothic forest as

well as important critical contexts for its discussion and examines the three main ways in which this trope manifests as a living animated threat as a traditional habitat for monsters and as a dangerous site for human settlement This book will appeal to students and scholars with interests in horror and the Gothic ecohorror and the ecoGothic environmentalism ecocriticism and popular culture more broadly The accessibility of the subject of The Deep Dark Woods coupled with increasingly mainstream interests in interactions between humanity and nature means this work will also be of keen interest to the general public
