And Recovering Sacred Power Naming Claiming:

Native American Voices Susan Lobo, Steve Talbot, Traci Morris Carlston, 2016-02-19 This unique reader presents a broad approach to the study of American Indians through the voices and viewpoints of the Native Peoples themselves Multi disciplinary and hemispheric in approach it draws on ethnography biography journalism art and poetry to familiarize students with the historical and present day experiences of native peoples and nations throughout North and South America all with a focus on themes and issues that are crucial within Indian Country today For courses in Introduction to American Indians in departments of Native American Studies American Indian Studies Anthropology American Studies Sociology History Women s Studies *How the West Was Drawn* David Bernstein, 2018-08-01 How the West Was Drawn explores the geographic and historical experiences of the Pawnees the Iowas and the Lakotas during the European and American contest for imperial control of the Great Plains during the eighteenth and nineteenth centuries David Bernstein argues that the American West was a collaborative construction between Native peoples and Euro American empires that developed cartographic processes and culturally specific maps which in turn reflected encounter and conflict between settler states and indigenous peoples Bernstein explores the cartographic creation of the Trans Mississippi West through an interdisciplinary methodology in geography and history He shows how the Pawnees and the Iowas wedged between powerful Osages Sioux the horse and captive rich Comanche Empire French fur traders Spanish merchants and American Indian agents and explorers devised strategies of survivance and diplomacy to retain autonomy during this era The Pawnees and the Iowas developed a strategy of cartographic resistance to predations by both Euro American imperial powers and strong indigenous empires navigating the volatile and rapidly changing world of the Great Plains by brokering their spatial and territorial knowledge either to stronger indigenous nations or to much weaker and conquerable American and European powers How the West Was Drawn is a revisionist and interdisciplinary understanding of the global imperial contest for North America s Great Plains that illuminates in fine detail the strategies of survival of the Pawnees the Iowas and the Lakotas amid accommodation to predatory Euro American and Native empires *Foundations of First Peoples' Sovereignty* Ulrike Wiethaus, 2007 Foundations of First Peoples Sovereignty is an innovative collection of essays offering interdisciplinary perspectives on the topic of sovereignty for Indigenous nations Presenting contemporary initiatives and scholarship in the humanities on behalf of First Peoples the volume affirms and explores the dynamic interplay between tribal community action and reflection academic work and the commonalities shared by Indigenous nations globally *Oppression and the Body* Christine Caldwell, Lucia Bennett Leighton, 2018-03-20 A timely anthology that explores power privilege and oppression and their relationship to marginalized bodies Asserting that the body is the main site of oppression in Western society the contributors to this pioneering volume explore the complex issue of embodiment and how it relates to social inclusion and marginalization In a culture where bodies of people who are brown black female transgender disabled fat or queer are often

shamed sexualized ignored and oppressed what does it mean to live in a marginalized body Through theory personal narrative and artistic expression this anthology explores how power privilege oppression and attempted disembodiment play out on the bodies of disparaged individuals and what happens when the body's expression is stereotyped and stunted Bringing together a range of voices this book offers strategies and practices for embodiment and activism and considers what it means to be an embodied ally to anyone experiencing bodily oppression

Restoring the Kinship Worldview Wahinkpe Topa (Four Arrows), Darcia Narvaez, PhD, 2022-04-12 Selected speeches from Indigenous leaders around the world necessary wisdom for our times nourishment for our collective and a path away from extinction toward a sustainable interconnected future Indigenous worldviews and the knowledge they confer are critical for human survival and the wellbeing of future generations Editors Wahinkpe Topa Four Arrows and Darcia Narvaez present 28 powerful excerpted passages from Indigenous leaders including Mourning Dove Robin Wall Kimmerer Winona LaDuke and Xiuhtezcatl Martinez Accompanied by the editors' own analyses each chapter reflects the wisdom of Indigenous worldview precepts like Egalitarian rule versus hierarchical governance A fearless trust in the universe instead of a fear-based culture The life-sustaining role of ceremony Emphasizing generosity and the greater good instead of pursuing selfish goals and for personal gain The laws of nature as the highest rules for living The editors emphasize our deep need to move away from the dominant Western paradigm one that dictates we live without strong social purpose fails to honor the earth as sacred leads with the head while ignoring the heart and places individual rights over collective responsibility Restoring the Kinship Worldview is rooted in an Indigenous vision and strong social purpose that sees all life forms as sacred and sentient that honors the wisdom of the heart and grants equal standing to rights and responsibilities All author proceeds from Restoring the Kinship Worldview are donated to Indigenous non-profit organizations working on behalf of Indigenous Peoples Inviting readers into a world sense that expands beyond perceiving and conceiving to experiencing and being Restoring the Kinship Worldview is a salve for our times a nourishment for our collective and a holistic orientation that will lead us away from extinction toward an integrated sustainable future

Religious Leadership Sharon Henderson Callahan, 2013-05-20 This 2-volume set within The SAGE Reference Series on Leadership tackles issues relevant to leadership in the realm of religion It explores such themes as the contexts in which religious leaders move leadership in communities of faith leadership as taught in theological education and training religious leadership impacting social change and social justice and more Topics are examined from multiple perspectives traditions and faiths Features Benefits By focusing on key topics with 100 brief chapters we provide students with more depth than typically found in encyclopedia entries but with less jargon or density than the typical journal article or research handbook chapter Signed chapters are written in language and style that is broadly accessible Each chapter is followed by a brief bibliography and further readings to guide students to sources for more in-depth exploration in their research journeys A detailed index cross-references between chapters and an online version enhance accessibility for today's

student audience **The Bloomsbury Handbook of Religion and Nature** Laura Hobgood, Whitney A. Bauman, 2018-05-17
Divided into four parts Earth Air Fire and Water this book takes an elemental approach to the study of religion and ecology It reflects recent theoretical and methodological developments in this field which seek to understand the ways that ideas and matter minds and bodies exist together within an immanent frame of reference The Bloomsbury Handbook of Religion and Nature focuses on how these matters materialize in the world around us thereby addressing key topics in this area of study The editors provide an extensive introduction to the book as well as useful introductions to each of its parts The volume s international contributors are drawn from the USA South Africa Netherlands Norway Indonesia and South Korea and offer a variety of perspectives voices cultural settings and geographical locales This handbook shows that human concern and engagement with material existence is present in all sectors of the global community regardless of religious tradition It challenges the traditional methodological approach of comparative religion and argues that globalization renders a comparative religious approach to the environment insufficient [A to Z of American Indian Women](#) Liz
