Amarananda Bhairavan:

The Authority of Female Speech in Indian Goddess Traditions Anway Mukhopadhyay, 2020-08-27 Contemporary debates on mansplaining foreground the authority enjoyed by male speech and highlight the way it projects listening as the responsibility of the dominated and speech as the privilege of the dominant What mansplaining denies systematically is the right of women to speak and be heard as much as men This book excavates numerous instances of the authority of female speech from Indian goddess traditions and relates them to the contemporary gender debates especially to the issues of mansplaining and womansplaining These traditions present a paradigm of female speech that compels its male audience to reframe the configurations of masculinity This tradition of authoritative female speech forms a continuum even though there are many points of disjuncture as well as conjuncture between the Vedic Upanishadic puranic and tantric figurations of the Goddess as an authoritative speaker The book underlines the Goddess's role as the spiritual mentor of her devotee exemplified in the Devi Gita and re-situates the female gurus in Hinduism within the traditions that find in Devi's speech ultimate spiritual authority Moreover it explores whether the figure of Devi as Womansplainer can encourage a more dialogic structure of gender relations in today's world where female voices are still often undervalued **Goddess Durga and**

Sacred Female Power Laura Amazzone, 2012-07-10 Goddess Durga and Sacred Female Power is an exploration of the many faces of the Goddess Durga in ancient and contemporary culture This book takes us on a pilgrimage to goddess temples and natural shrines to visit shamans and living goddesses in the Kathmandu Valley of Nepal and to India for the annual ten day Durga Festival The mythology rituals philosophy and spiritual practices of this distinctly female centered and millennia old tradition of Durga offer an alternative model of female potential and empowerment focusing on peace healing spiritual liberation and realization of inherent divinity *Vysa Redux* Kevin McGrath, 2019-06-20 Vy sa is the primary creative poet of

In the Kacch Kevin McGrath,2015-01-06 This personal narrative about life in a remote desert region of western India tells of how love of place and love of person find their equilibrium in a world far removed from modernity Yet this small distant land of kingship and pastoral life is rapidly being eroded by the new India of commerce and industrialization The author describes how an ancient society is transformed by the culture of consumption where the lyrical beauty of balance exchange and loyalty is translated into a single market economy The people and places of post Partition Kacch where even the land and value systems of a lately independent India now appear in a nostalgic light are described in detail This is a record of private emotion and physical terrain of traditions and of profound social practice

Goddesses in World Culture Patricia Monaghan,2010-12-01 This collection of accessible essays relates the stories of individual goddesses from around the world exploring their roles in the cultures from which they came their histories and status today and the controversies surrounding

them Goddesses in World Culture brings readers the fascinating stories of close to 100 of the world's goddesses ranging from the immediately recognizable to the obscure. These figures, many of whom derive from ancient cultures and civilizations, serve as points of departure for examining questions that go well beyond the role of women in religion and spirituality to include social organization, environmental awareness, historical developments, and psychological archetypes. Each volume of this groundbreaking set is composed of 20-25 previously unpublished articles written by expert contributors from diverse disciplines. Volume one covers Asia and Africa; volume two covers the Eastern Mediterranean and Europe; and volume three covers Australia and the Americas. Goddesses from cultures often overlooked in texts on religion, such as those of the Australian Aborigines, Korea, Nepal, and the Caribbean, are included here. In addition, the work offers new translations of ancient texts, introduces little-known folklore, and suggests new approaches to contemporary religious practices.

Mystic Wayfarer Kristina Sanborn, 2013-01-25 Faith is the Path, Grace is the Bridge, Surrender is the Gate, Love is the Garden. Over the course of more years than I care to admit, I've been witness to Kristina's multi-faceted talents as actress, musician, writer, composer, fellow spiritual seeker, and dear friend. Of all of her worthy endeavors, perhaps most compelling is her poetry. It is a reflection of her soul, an out-picturing of her inner and outer travels, and as such, a daily mantra of a visionary creative spirit, an expression for you to share and experience with her in consciousness.

Mystic Wayfarer: One Soul's Journey Into Light is powerful, purposeful, intimate, and like Kristina herself, utterly unique in its power to alter your world. It is profoundly personal, yet it reveals a recognizable, emergent collective wisdom. As you revel in each stanza, you are invited to delight in your own quest for ecstasy, seeking union with the Divine through a discovery of your own unfolding divinity held in each painful, joyful, cherished moment of humanness.

Donna Walker, Host, Producer, Pacifica Performance Showcase, KPFK 90.7 FM Pacifica Radio. Within the rhythm of her excellent poesy, Kristina Sanborn walks us through a life well-earned. One wants to travel with each individual poem in a front pocket and take it out to look at its map, which means there will be the pleasure of dancing through its theme once more and then satisfied, ready oneself for the adventure of the following stride. And though they each stand on their own, I found the collection of poems to be mighty and muscular when read in a conscious promenade for the complete work engages the reader's mind to an insistent and necessary wayfaring, a forward motion, a need. The prize is a most certain peace of mind as her beautiful images leap up and encircle you on your walk like luminous autumn leaves in a very brave wind.

Randall Stuart, Founder/Director of CERIMON HOUSE, A Sanctuary for the Humanities. Kristina's poetry in her new book **Mystic Wayfarer** moves in the serpentine ways of women's mystery, seeping into the soul and dancing you from the inside out. Her journey carries you to places near and far, inside and out, and brings you back to the home of your own body with infinite grace and beauty. It has been a joy and a privilege to bear witness to her journey and dance in the mystery with her. May others come to find as much joy, pleasure, and value in her words as I have.

Sandy Pendleton, MFT Teacher and Coach, Embodied Wisdom. **Fierce Shakti, Fierce Love** Mari P. Ziolkowski, 2010-11-25 From the realms of consciousness studies

Spirituality Anway Mukhopadhyay, 2016-12-14 This volume explores the potentials of Goddess spirituality in the field of cultural critique and strings together innovative readings of already existing literary texts and cultural phenomena from the critical perspective of Goddess spirituality The chapters explore a colourful array of texts and authors and focus on issues as diverse as the persistence of the figure of the Magna Mater in the life writing and thought of Swami Vivekananda and Sri Aurobindo the inability of Advaita Vedanta to come out of the shadow of the Great Mother the possibility of pluralizing the Eurocentric notion of the Muse by invoking the figure of Goddess Sarasvati in the field of English Studies and a reappraisal of Kipling's Kim from the perspective of the philosophical and spiritual discourses of Prajnaparamita the Buddhist Goddess of Perfect Wisdom The book also offers a comparative study of Minoan Goddess Spirituality and tantric philosophy with reference to Aphrodite Diotima and the Indian Mother Goddesses the possibility of simultaneously tantricizing notions of modernity and modernizing tantra itself with reference to the works of Lata Mani and William Schindler and an investigation of the Mother centric spiritual sensibilities in various religious discourses and devotional literatures among other discussions In short this book investigates the possibilities of inserting the figure of the Great Mother into the critical domain of cultural pluralism thereby celebrating a multiculturalism that is not based on violence and conflict antagonism but grounded in harmony The Mother is seen by the discourse articulated here mainly as a middle ground between flesh and spirit knowledge and passion justice and compassion and in the red shadow of the Mother social epistemologies and academic discourses are radically renegotiated
