Purchasing Identity in the Atlantic World Phyllis Whitman Hunter, 2018-10-18 Americans have always had a love hate relationship with possessions Early Americans suspected luxuries as a corrupting force that would lead to an aristocracy In *Purchasing Identity in the Atlantic World* Phyllis Whitman Hunter demonstrates how elite Americans not only became infatuated with their belongings but also avidly pursued consumption to shape their world and proclaim their success In eighteenth century New England harbor towns the commercial gentry led their communities into full participation in a flourishing Anglo American consumer culture Affluent traders constructed roads wharves and warehouses built mansions and assembly buildings adopted new forms of sociability and fostered the rise of the public sphere Using case studies of influential merchant families Hunter brings alive the process by which Boston and Salem evolved from Puritan towns dominated by families of English origin to Georgian provincial cities open to a diversity of religious affiliations and European ethnicities Hunter then explores how revolutionary politics overturned polite society and transformed the meanings of possessions Patriots threw tea to the fish in Boston Harbor donned homespun at Harvard commencements and transformed a silver punch bowl into an icon of liberty The wealthy either espoused republican values and muted their material displays or fled to exile *Purchasing Identity in the Atlantic World* reveals a critical link in the complex relationship between capitalism and culture the process by which material goods become symbols of profound social and cultural significance

Study Guide for World History I United States Armed Forces Institute, 1956 *Essays in the Economic History of the Atlantic World* John McCusker, 2005-08-15 Written by one of the leading authorities on trade and finance in the early modern Atlantic world these fourteen essays revised and integrated for this volume share as their common theme the development of the Atlantic economy especially British America and the Caribbean Topics treated range from early attempts in medieval England to measure the carrying capacity of ships through the advent in Renaissance Italy

and England of business newspapers that reported on the traffic of ships cargoes and market prices to the state of the economy of France over the two hundred years before the French Revolution and of the British West Indies between 1760 and 1790 Included is the story of Thomas Irving who challenged and thwarted the likes of John Hancock Samuel Adams Alexander Hamilton George Washington and Thomas Jefferson *Study Guide for World History II* Stephanie E.

Merritt, United States Armed Forces Institute, 1956 Bridging the Early Modern Atlantic World Caroline A.

Williams, 2016-04-15 Bridging the Early Modern Atlantic World brings together ten original essays by an international group of scholars exploring the complex outcomes of the intermingling of people circulation of goods exchange of information and exposure to new ideas that are the hallmark of the early modern Atlantic Spanning the period from the earliest French crossings to Newfoundland at the beginning of the sixteenth century to the end of the wars of independence in Spanish South America c 1830 and encompassing a range of disciplinary approaches the contributors direct particular attention to regions communities and groups whose activities in and responses to an ever more closely bound Atlantic world remain relatively under represented in the literature Some of the chapters focus on the experience of Europeans including French consumers of Newfoundland cod English merchants forming families in Spanish Seville and Jewish refugees from Dutch Brazil making the Caribbean island of Nevis their home Others focus on the ways in which the populations with whom Europeans came into contact enslaved or among whom they settled the Tupi peoples of Brazil the Kriston women of the west African port of Cacheu among others adapted to and were changed by their interactions with previously unknown peoples goods institutions and ideas Together with the substantial Introduction by the editor which reviews the significance of the field as a whole these essays capture the complexity and variety of experience of the countless men and women who came into contact during the period whilst highlighting and illustrating the porous and fluid nature in practice of the early modern Atlantic world
