Busuttil,1998 This book provides the first comprehensive critical analysis of the regulation of naval weapons during armed conflict It examines the experience this century with the use of naval mines submarines and anti ship missiles the three main naval weapons The sources of international law relevant to an assessment of the law that is the extant conventions state practice military manuals war crimes prosecutions and the opinions of publicists are each extensively examined so that a clear picture of the law emerges The book examines the impact of agreements drawn up in peacetime on wartime conduct and focuses on the growth of law through customary practice While stating the law as it is today it also provides suggestions for the practical development of the law      **Moody's Municipal & Government Manual** ,1925      Literature and Artistic Practice in Sixteenth-Century Italy Angela Cerasuolo,2017-01-05 In Literature and Artistic Practice in the Sixteenth Century Angela Cerasuolo art historian and restorer tracks the technical processes of painting through the cross analysis of literary texts and works of art Having traced the critical fortunes of the texts of the authors Leonardo Vasari Armenini Borghini Lomazzo she compares the information on

drawing and painting analysing the specific terminology and identifying the materials and methods Central themes of the theoretical debate disegno invenzione the contrast between prestezza and diligenza the paragone are examined in the light of their relationship with the techniques On the basis of scientific studies on the technical execution of paintings works from the Capodimonte Museum Naples are analysed as case studies Moody's Manual of Investments: American and Foreign ,1925

Romance and Its Contexts in Fifteenth-century England Raluca L. Radulescu,2013 Although the anonymous pious Middle English romances and Sir Thomas Malory's Morte Darthur have rarely been studied in relation to each other they in fact share at least two thematic concerns vocabularies of suffering and genealogical concerns as this book demonstrates By examining a broad cultural and political framework stretching from Richard II's deposition to the end of the Wars of the Roses through the prism of piety politics and penitence the author draws attention to the specific circumstances in which Sir Isumbras Sir Gowther Roberd of Cisely Henry Lovelich's History of the Holy Grail and Malory's Morte were read in fifteenth century England In the case of the pious romances this implies a study of their reception long after their original composition or translation centuries earlier in Lovelich's case an examination of metropolitan culture leads to an opening of the discussion to French romance models as well as English chronicle writing
