Book And Translating God Hearing Yourself Around:

Translating God Shawn Bolz, 2015-11-12 Translating God serves as an inspirational guide book that puts God's great love back into prophetic ministry as a primary goal full of real life stories that articulate the culture of love behind God's heart for the prophetic. So much of the prophetic ministry is esoteric and a free-for-all in which people throw down the God card on anything they feel but this book brings balance without taking away the desire to see the powerful nature of God displayed. On top of that it's biblically based and is supported by scripture throughout each story driving home the book's message of activating the ability to hear God's voice for each reader. Through a thought-provoking prophetic ministry philosophy and Shawn's glorious successes and very real failures you will be inspired and equipped to learn how to hear God for yourself and others grow through simple focused steps. Take great risks, stay accountable, love people well, grow in intimacy with the Lord. As an internationally known prophetic voice who has ministered to thousands from political leaders to those on the streets, Shawn shares everything he has learned about the prophetic in a way that is totally unique and refreshing. Shawn aims for the higher goal of loving people relationally, not just pursuing the gift or information, and he activates you to do the same. Start to reshape the world around you with God's love today.

Do Greater Things Robby Dawkins, 2017-12-19 How to Heal the Sick, Cast Out Demons, Raise the Dead, and More. The Bible says that if you belong to Jesus, you have the power to heal the sick, cast out demons, bring deliverance to those trapped in spiritual darkness, prophesy in his name, call forth creative miracles, receive supernatural words of wisdom and knowledge, even raise the dead. So why do so many Christians live powerless lives? Why do they operate with so little faith? Having gone through his own journey from doubt to belief, Chicagoland pastor Robby Dawkins now ministers and speaks internationally, and where he goes, miracles happen. In these pages, he shares incredible stories of God using ordinary people to do the impossible. And he shows that when you begin to have faith in the power of God, take him at his Word, and understand his love for you, you will see his power released in healings, financial blessings, and miracles of all kinds.

Hearing from Heaven Eric M. Whitley, 2024-02-13 Every Christian needs the daily revelation of God's voice. He is always speaking powerful words of love and encouragement to His children, but many believers struggle to discern His voice through the noise of the world. You can hear from heaven, but you must tune your spirit to heaven's frequency to receive the messages God is sending. *Hearing From Heaven* will give you the steps and tools needed to begin hearing God's voice for yourself and for others. Whether you are a new Christian or a mature prophetic person, you will discover new insights and principles for developing a healthy prophetic culture and community for your church. Each week's material is full of practical teaching and opportunities to start practicing hearing God's voice. When used in conjunction with the free companion study guide, you will learn how God uniquely speaks to you, how to use your spiritual gifts to bless your church, and how to develop a community of prophetic people that supports one another in unity.
