Transformation is a product of replacing your old ideologies with another that is new sustainable and is able to take you to the place God wants you to go It is not enough that we have a prophetic destiny in Christ and it is not even enough that we know that we have a prophetic destiny in Christ We must know how to get there and what it takes to get there and we must commit ourselves This is one of the major problems in the body of Christ We teach a lot about where we are going and where God is taking us and the fact that there are many prophetic things reserved for us and that is not a lie Except for the fact that if believers are not equipped and shown how to leave where they are to that prophetic destiny they will be frustrated with time The Bible says hope that is deferred can make the heart weary Our job in this place is not only to reveal to you that there is a prophetic destiny an agenda in the spirit that there is an intention in the heart of God for the nations and for us as individuals but to guide us through the spiritual principles that will transit and transform us to that place Read this Book and Be Blessed **The Roadmap to Divine Direction** Brenda Kunneman, 2011-09-20 Thy word is a lamp unto my feet and a light unto my path Psalm 119 105 The Roadmap to Divine Direction guides believers who are struggling to find their way along the Christian journey If you are having a hard time determining God's will or His voice walk along with author Brenda Kunneman who uses real life experiences and solid Scripture examples to demonstrate how God works in believers' lives today Road signs along the way include Listening to Your Heart Using Scripture to Find God's Will Seeing God's Will Through Personal Experiences Following God's Direction for Family Career and Finances Hearing God During Blinding Emotions Knowing God's Will in Health and Relationships When you might not see far enough ahead to see the God's perfect plan you can rest assured that He is working on your behalf for His purposes Following The Roadmap to Divine Direction filled with practical and principled advice and guidance leads you to a clear understanding of your divine destination
