Modernism and Mourning Patricia Rae, 2007 The essays in *Modernism and Mourning* examine the work of mourning in modernist literature or more precisely its propensity for resisting this work Drawing from recent developments in the theory and cultural history of

mourning its contributors explore the various ways in which modernist writers repudiate Freud's famous injunction to mourners to work through their grief endorsing instead a resistant or melancholic mourning that shapes both their themes and their radical experiments with form The emerging picture of the pervasive influence of melancholic mourning in modernist literature casts new light on longstanding critical arguments especially those about the politics of modernism It also makes clear the pertinence of this literature to the present day in which the catastrophic losses of 9/11 of retaliatory war of racially motivated genocide of the AIDS epidemic have made the work of mourning a subject of widespread interest and debate Patricia Rae is Head of the Department of English at Queen's University On Consolation Michael Ignatieff, 2025-04-29 Elegant humane and intensely rewarding Kwame Anthony Appiah author of *The Lies That Bind* At once illuminating moving and consoling Stephen Greenblatt author of *The Swerve* From the internationally renowned historian of ideas and Booker Prize finalist Michael Ignatieff a timely and profound meditation on where to find solace in the face of tragedy and crisis When someone we love dies when we suffer loss or defeat when catastrophe strikes war famine pandemic we go in search of consolation Once the province of priests and philosophers the language of consolation has largely vanished from our modern vocabulary and the places where it was offered houses of religion are often empty Rejecting the solace of ancient religious texts humanity since the sixteenth century has increasingly placed its faith in science ideology and the therapeutic How do we console each other and ourselves in an age of unbelief In a series of lapidary meditations on writers artists musicians and their works from the books of Job and Psalms to Albert Camus Anna Akhmatova Elisabeth Kubler Ross and Primo Levi esteemed writer and historian Michael Ignatieff shows how men and women in extremity have looked to each other across time to recover hope and resilience Recreating the moments when great figures found the courage to confront their fate and the determination to continue unafraid *On Consolation* brings those stories into the present movingly contending that we can revive these traditions of consolation to meet the anguish and uncertainties of our precarious twenty-first century
