

The background of the cover features a stylized illustration. At the top, a tree with a purple trunk and branches is shown, with leaves in shades of green, yellow, and pink. Below the tree, the structure of a building is depicted using thick, overlapping lines in purple and yellow, creating a geometric, abstract representation of a church roof and walls. The entire design is set against a dark blue background.

merger help a church go forward How will a merger process unfold Where can a declining church find another congregation to join What are the pitfalls that both pastor and congregation should avoid How can better together lead to more rather than fewer life giving high impact reproducing churches They provide a complete practical hands on guide for church leaders of both struggling and vibrant churches so they can understand the issues develop strategies and execute mergers for church expansion and renewal ultimately so they can reinvigorate declining churches and give them a second life No matter what your motivation for merging your church with another to begin a new church life cycle cross racial lines reach more people for Christ multiply your church s impact or better serve your local community Better Together will give you the tools you need to create a thriving new entity *There's Hope for Your Church* Gary McIntosh, Gary L. McIntosh, 2012-05 Veteran church consultant calls church leaders back to the hope that God can and does restore churches equipping them with practical tools to bring about healthy growth

**Liquid Church** Tim Lucas, Warren Bird, 2019-09-10 In today s fluid culture many churches are adrift longing to reach spiritually thirsty people but failing to make an impact Have you noticed Congregations are stuck or declining Millennials and Gen Z are walking away Volunteers and their generosity are drying up Is your city town or neighborhood spiritually dry Do you long to see more of the living water of Jesus flowing freely through your community generating a fresh wave of ministry momentum Buckle up you re in for a whitewater ride Liquid Church tells the fascinating story of a New Jersey church that began on accident and grew into one of America s 100 Fastest Growing Churches with over 5 000 in weekly attendance and more than 2 400 baptisms to date Their secret They harnessed the power of six powerful ministry currents sweeping across North America including special needs creative communication ministry mergers compassionate cause radical generosity and leadership development With powerful stories and scriptural insights backed by national research Tim Lucas and Warren Bird describe dozens of fresh ideas new ministry wineskins and hard won leadership learnings that resonate with rising generations in today s show then tell culture Each chapter includes practical tools real life examples and links to Other Churches Making Waves with cutting edge ministry ideas designed to help saturate your city for Christ Ready to dive deeper Whether you serve a brand new church plant fast growing congregation or an aging ministry ready for reinvention Liquid Church is an inspiring and practical guide for leaders ready to reach their spiritually thirsty neighbors those who have given up on church but haven t given up on God

*Multisite Churches* Dustin L. Slaton, 2024-02-13 The multisite church model has been consistently challenged by those who deem it unbiblical and incompatible with God s design for the local church but does Scripture support this claim In Multisite Churches pastor and church vitalist Dustin Slaton posits that congregational polity is compatible with the multisite model dismantling critiques with both urgency and care for the local church s future At a time when church fostering and church adoption are predicted to increase significantly the multisite church model is a solution that can support the adoption of churches Bringing in personal experience and erudite research Slaton heuristically demonstrates a methodological approach of ecclesiology with a

theological framework for the multisite model fairly addressing both critics and supporters Multisite Churches is a resource for biblical ecclesiology with wide ranging benefits for both clergy and congregant Those prayerfully discerning whether they can transition to a multisite church in a biblical way and those who are interested in the topic will benefit from the guidance and insight provided in this timely resource *Replant* Darrin Patrick,Mark DeVine,2014-05-01 Grow Where You re Replanted Today s spiritual landscape is littered with churches on their last legs forcing us to reconsider how we keep the Body of Christ alive and strong The solution according to visionary pastors Darrin Patrick and Mark DeVine is to infuse new blood into the body and by seeking God s presence and guidance Avoiding cookie cutter steps or how to formulas Replant describes the story of a church resurrection a story that offers a multitude of divinely inspired and practical possibilities for church planters The result is a harvest of inspiring ideas on how to inspire new church growth Discover a new openness to churches merging with other congregations changing leadership and harvesting fresh spiritual fruit inviting us all to re think how churches not only survive but thrive Church Transfusion Neil Cole,Phil Helfer,2012-09-19 Just as our life is in our blood the life for Christ s body is in His blood Changing a church is more than a new goal or direction Our churches need more than an organizational transition we need a full transfusion of Jesus blood His life within every disciple Anything less than that will only perpetuate more of the dysfunction and unhealthy church practices that have already plagued us for too long We are in desperate need of the internally transforming power of the gospel of grace and the presence of Christ so that our salvation is then worked out in a way the rest of the world will notice It isn t enough that we believe in the facts contained in the gospel we must allow the gospel itself to infect our souls and transform us from within The DNA of Jesus lifeblood is needed in our churches and nothing shy of a full transfusion that touches every cell will be sufficient In this book Neil Cole author of Organic Church Church Transfusion and Journeys to Significance and Phil Helfer co founders of Church Multiplication Associates will first point out that change is possible with God but only with God In the second half of the book they will lay out some of the actual practical considerations to weigh if you want to release real organic health in your church Using multiple examples of very different kinds of churches that have been through the process the authors present ways that leadership and practices need to change in order to release organic church movements from their midst Chapters cover Leadershifts necessary Detoxification from dependence issues How to ignite change virally How to grandparent movements How to measure success in movements This book another in the Leadership Network series applies organic life principles to established churches with practical help that is holistic and natural The content in this book will be helpful whether you are pastor of an established church or wanting to revitalize a small organic church Jesus didn t die and rise from the dead so that we can be like everyone else in the world Our faith is more than just a better doctrine or a bigger goal with a capital giving campaign it is a better life Jesus is the difference and what a difference he makes don t be satisfied with less Seven Levers Bishop Robert Schnase,2014-03-18 A lever helps us move an object that otherwise we could never budge Seven

Levers Missional Strategies for Conferences explores conferences in operational terms highlighting focal points for change. What works in conferences, what doesn't, and why. Author Robert Schnase shows us how to identify and change practices that are no longer conducive to our mission and demonstrates concrete ways to foster a more relevant and effective connectionalism. He uses specific conference examples to describe fundamental strategies that really work. Seven Levers provides insight and a common language to help leaders focus their work on what matters most and align their ministries, personnel, budgets, and governance accordingly. It is an honest and practical guide for all the pastors, lay leaders, conference staff, cabinets, and conference boards striving to shape their common ministries through conferences. Schnase's best-selling *Five Practices of Fruitful Congregations* has focused and strengthened ministry in thousands of congregations. Now *Seven Levers* gives hope and direction for those who are frustrated by conference work that is too often unfocused and unfruitful and who long for a more innovative and relevant connectionalism. *Seven Levers* charts a clear and compelling course for annual conferences and other judicatories.

Douglas T. Anderson, Associate Director of Church Development, Indiana Conference, United Methodist Church: Filled with insight, examples, provocation, and hope.

Lovett H. Weems Jr., Director, Lewis Center for Church Leadership, Wesley Theological Seminary: Positive and hopeful.

*Seven Levers* will change your conference. I heartily recommend it for every clergy and lay member of the annual conference.

Janice Huie, Bishop, Texas Conference, United Methodist Church: This book is gold.

*Seven Levers* is itself an unprecedented lever for our denomination.

Sue Nilson Kibbey, Director of Connectional and Missional Church Initiatives, West Ohio Conference, United Methodist Church:

**Excellence in Planning and Promotion** Trace L. Howard, 2016-11-18

Today's congregational expectations regarding ministry events and campaigns are viewed through the lens of excellence. Not only is this an expectation, it is also a requirement if the church intends to maximize those programs in which it has invested precious resources of time and people. A God-given vision for a ministry program after prayer and vision sharing begins with planning and comes to fruition through effective promotion and marketing. In *Excellence in Planning and Promotion*, Trace Howard has provided churches and their leadership an outstanding resource by reminding readers of the importance of these elements in delivering ministry events and campaigns that make a kingdom difference. The principles of this book are at the same time incredibly simple yet will reap great benefits for church leaders in our day. This book brings helpful and practical insights to the pastor's approach to ministry and event planning that can be utilized in any ministry leadership context.
