Free Us from Bullying Paul T. Coughlin, 2018-08-14 Much of what we believe about bullying isn't true An estimated twenty million oppressed children need our help today A critical mission field awaiting Christians is to combat bullying and proclaim liberty to wounded children To counter bullying we must first understand some common misconceptions It is not necessarily true that bullies have low self-esteem and come from abusive homes It is not true that kids who aren't bullied are indifferent to those who are Bullying is not a school problem and teachers are not the frontline defense Children who are bullied do not become stronger adults Bullies cannot be stopped merely with more compassion and understanding In fact bullying stems from the same roots as racism sexual harassment and even genocide and it requires people to combat it in similar ways that they combat other forms of oppression and injustice We often think of combating injustice overseas but we can combat a very real and dangerous injustice in our own neighborhoods After more than a decade of working with tens of thousands of students teachers parents and pastors Coughlin knows that bullying represents the worst in human nature but combating it promotes the best Kindness and
