

THREE ELEMENTS OF ALIENATION OF AFFECTION

In order to prove alienation of affection and have damages awarded, a spouse whose marriage has been broken up by someone must prove three key elements in court:

1. That the marriage in question contained a degree of love or affection prior to the outside affair or influence;
2. That the adulterous relationship alienated or destroyed that love or affection;
3. And that the defendant's malicious conduct contributed to or caused the loss of affection or love.
